NEW – Send in your Rules early.

The Nationals Cheerleaders Association offers a service to help teams with legality and safety questions. Teams will be able to email skills in throughout the year to receive a legality or safety response. This service will help teams get a response with a video attached back to use in situations where the skill may be in question.

Teams are not required to submit a safety video. To email a video, the following must be included:

1. The skill in question must be recorded by the team at practice. We are unable to accept videos from performances, competitions, or of other teams.
2. All submission must include the coach, team, and division.
3. The recording will be reviewed as if every person in the video is included in the skill. This would include additional spotters.
4. Videos are limited to 30 seconds and must be able to be viewed upright without rotating.
5. The recording will be limited to attachments only. Links, video sharing and YouTube style videos will not be accepted. While this does limit the video size, you are able to submit multiple videos.
6. All videos will either receive a legal or illegal response. If the video receives an illegal response, the entire video will not be reviewed but stopped at the point that the video was illegal. *If the video is inconclusive, you will receive a response as to why the video was unable to make a judgement. It is up to you as a coach to resubmit the video to be re-reviewed.

Videos that do not follow the above rules will not receive a response.

If you know that your video does not meet all the requirements above, please refile/resubmit the video. Only videos that meet the above requirements will be reviewed.

Please send all videos to NCAscoring@varsity.com

Please note: Performing the skill at a prior event does not make the skill legal nor would it warrant a warning. Only submitting the skill will make the skill eligible for a warning. NCA can only guarantee this process will be accepted at NCA Branded events. This would not include other Varsity Branded and State Association Events.
