**Photography and Videography:**

We will have RT Productions taking professional photographs at this event. Spectators are only permitted to photograph their team/program after permission from the Program Owner. For the safety and comfort of all attendees, *no* telephoto lenses over 200 MM are permitted at any Varsity Louisville events.

**Be A Fan Zone:**

We invite all family and friends to move to our Be A Fan Zone in front of the stage/performance floor when their athlete's team is performing! When in the Be A Fan Zone, HAVE FUN! The athletes LOVE when you're clapping, singing and cheering for them in this section! Please be respectful of our staff, judges, and other spectators by keeping the flow moving smoothly into and out of this area. If you are the designated picture-taker, be sure to keep cameras at shoulder level during the performance.

**Concessions:**

Plenty of concessions are available throughout the event at the Walter E. Washington Convention Center for athletes and spectators. No outside food or beverage may be brought into the facility.

**Warning:**

Strobe lights, fog and other special effects may be used in the production of this event.
