

2020 CHEERSPORT Nationals Registration and Housing Information

Dear Gym Owners and Coaches,

We are very excited to have you attend the 2020 CHEERSPORT National Championship!

HOUSING INFORMATION

For the past few years we have implemented and enforced a Stay Smart policy and your continued support for this initiative is important and appreciated. As a result of its' success we have been able to maintain our status as a "City-Wide Convention" which qualifies us for additional benefits from the city of Atlanta. As a result of your participation and commitment to CHEERSPORT, it allows us to secure our competition dates well into the future and justified our expansion into the entire Georgia World Congress Center. The additional space allowed us to grow our Nationals while shortening our competition days for you and your athletes. Our "City-Wide" status also helped us leverage our collective buying power for better hotel rates and increase our room inventory.

The Stay Smart Tier 1 policy requires all teams (including participants, coaches, and spectators) to book reservations through Connections Housing Travel, the official and only housing company authorized to book housing for groups attending the 2020 CHEERSPORT National Championship. We sincerely appreciate your adherence to this housing policy and understand that it be strictly enforced.

OMNI CNN CENTER

You will be given the opportunity to book 3 rooms at the CNN OMNI when you book your block of rooms with Connections.

EXCEPTIONS TO THE POLICY

It is not our intent to force anyone to pay for a hotel room that wouldn't otherwise need one. Obviously, individuals within the Atlanta metro area are exempt from this policy. We will also exempt individuals for the following reasons:

- Staying with a family member in Atlanta, Georgia
- Utilizing hotel points for a FREE room at Stay Smart participating hotel. Your stay must be a minimum of 2 nights to qualify
- Military members who qualify for reduced military rates at Stay Smart participating hotels

Individuals desiring an exemption will need to submit their requests to Connections Housing. You will receive a response within 10 business days of your submission. You must have an exception number before your Roster Check is due. Please note that we are aware this system has been abused in previous years and are going to diligently review and confirm each request submitted. It is not fair to our customers who abide by the policy for some individuals to ignore it. Please submit your exception request as soon as possible.

Please click [here](#) for the 2020 Exception Link.

CONNECTIONS HOTEL CANCELLATION POLICY

- \$50.00 Cancellation Fee: If cancelled on or after October 3, 2019
- \$100.00 Cancellation Fee: If cancelled on or after January 3, 2020
- \$100.00 Cancellation Fee PLUS First Nights Room & Tax: If cancelled after the hotel receives your reservation
(Please refer to your original reservation confirmation for this date as this may vary)

HOUSING ROSTER CHECKS

Housing Roster checks will also be available for submission online. These will be due by November 30, 2019. We have worked with Connections to make the submission process convenient for individuals that have booked rooms through Connections. Please contact Connections Housing for this form.
