#BeAFan

We know that no one wants to miss the chance to capture memories of their favorite athlete ... but why not plan ahead and designate one "official fan photographer" to catch those memories for the group. This will allow everyone to truly enjoy the performance live, so you can be free to clap your hands, and dance to the beat of each and every performance. Team Champion encourages our spectators to put their recording devices down, and to truly just BE A FAN during today's event. Go to www.beafan.info to take the pledge today!
