Pinnacle Award

Varsity All Star is celebrating individuals across the country who embody the characteristics and work ethic to be recognized by their peers as #AllStarStrong with the Varsity Pinnacle Award. It is important as an All Star community to highlight extraordinary athletes that display characteristics of teamwork, dedication, confidence & leadership.

Our staff have thoroughly gone through all of the nomination forms and are very pleased with our winner. Here is a snippet of why we made our selection...

I've never witnessed anyone as humble... Their cheer talents haven't changed who they truly are as a person. They haven't just made my daughter feel welcomed to the team, they also support EVERYONE on the team. Their words of encouragement, their dedication, their determination, and their love for cheer are all very real. If someone is worried, happy, upset, hurt, nervous, doubtful, excited, this person is always there crying with them or laughing with them.... giving them words of encouragement and hope.

This person doesn't just help their own team, but other teams, and other members from different gyms too. I cannot express in words my gratitude towards this person, because I know with my whole heart they have changed & helped other athletes. This athlete is truly an amazing person who deserves this award more than anyone I've met throughout the cheer world. I wish I was able to give more examples, pictures, videos..... But truthfully if I had those then I wouldn't have been able to truly feel and see how wonderful he is #AllStarStrong!

Please join us in congratulating our CSG Super Nationals Pinnacle Award Winner... Gavin Scheele from Indiana Ultimate.
