**Hotel Information:**

LIVE!'s housing partner, Team Travel Source, can help you find hotels at the best rates. To make an individual or group reservation, visit <https://www.teamtravelsource-cheer.com/varsity-stay-smart> or call 1-866-567-7075.

**Parking:**

Please be aware that there are multiple events in the area during this time. Please allot extra time to find parking and gaining access to the venue and working your way through admissions. I have noticed that parking prices are currently inflated due to the high volume to traffic. The lowest price I've found is \$30 in the nearest parking garage. There are multiple parking garages in the area.

**Spectator Schedules:**

In an effort to conserve resources, we will not be providing printed schedules for spectators. A QR code linking to the final schedule will be available for spectators to view at the entrance to the event. The final schedule will be posted online, the Friday prior to the event.

**Photography and Videography:**

We will not have professional photographers or videographers at this event, so please feel free to bring your own camera. Spectators are only permitted to photograph their team/program after permission from the Program Owner. For the safety and comfort of all attendees, no telephoto lenses over 200 MM are permitted at any Varsity Louisville events.

**Be A Fan Zone:**

We invite all family and friends to move to our Be A Fan Zone in front of the stage/performance floor when their athlete's team is performing! When in the Be A Fan Zone, HAVE FUN! The athletes LOVE when you're clapping, singing and cheering for them in this section! Please be respectful of our staff, judges, and other spectators by keeping the flow moving smoothly into and out of this area. If you are the designated picture-taker, be sure to keep cameras at shoulder level during the performance.

**Concessions:**

Plenty of concessions are available at the America's Center Convention Complex for athletes and spectators. No outside food or beverage may be brought into the facility.

**Warning:**

Strobe lights, fog and other special effects may be used in the production of this event.
