

# The NCA High School National Championship 2020 Competition Performance Order Overview

Updated : 1/29/20

**Important Note for teams competing in both Game Day and Performance Divisions on Saturday - All efforts have been made to allow your team enough time to return to the practice room before each performance, however you are not required to use this time in each rotation. There is a wait time between 5-10 minutes after check-in before hitting the stretching mat. We are unable to accommodate requests for additional time between routines.**
