Tie Breaker Policy:

In the event of a tie for a Worlds Bid based on score (and not judges discretion):

1. The bid will be awarded to the team with the least amount of deductions.
2. If deductions for both teams are equal or zero, the bid will be awarded to the team with the highest score in the 'Routine Composition' category.
3. If the Routine Composition' category scores remain equal, the tie will be broken by the Judges' Choice.

Team competing in multiple events, both live and virtual will only be considered for bids at one event. For teams competing in a live and virtual event in the same weekend, you must declare which event you will accept bids at. For teams competing in multiple virtual events on the same weekend, they will be considered for the event that is awarding the highest level of bids (Paid, Partial-Paid, At-Large, etc.). If both events are awarding the same level of bids, your team will need to declare which event you will be accepting bids at. ***Teams competing at NCA All-Star Nationals will need to follow the declaration above for events occurring on 2/26-2/28. Teams will be eligible for bids at events occurring on 3/5-3/8 with no restrictions from NCA All-Star Nationals.**
