

CEU CREDIT

CEU credit is a nationally recognized measure of a sponsored activity through institutes, workshops and short courses. It is not issued on a semester or quarterly hour basis. In some states, it will apply toward pay increases, certificate renewal or in-service training. This credit is issued through the Northwestern State University of Louisiana, Division of Continuing Education. Each coach will have to contact their local school board to know if any of these options apply in their state.

The workshop is conducted at every NDA camp during the summer. The cost to acquire the credit is an additional fee over the normal coach fee for attending camp. This program includes all coaches that pay to attend camp (resident and commuter coaches).

Certificates will be sent to the participants by the end of the current year. All applications for these CEU credits MUST be received in the Varsity Corporate Office no later than September 30, 2020. All certificates will be mailed out after this deadline. Coach must complete the CEU Registration form below and accompany it with a check or money order made payable to NDA. In order to receive the credit, the coach is required to attend all classes and meetings.

PLEASE DO NOT INCLUDE THE CEU REGISTRATION WITH THE CAMP FEE.
