

NDA WORLDS BID DECLARATION

The process for awarding bids is as follows:

During the 20-21 season, the number of bids that Varsity All Star will be awarding to the USASF Cheerleading & Dance Worlds will reflect current year enrollment at each event as opposed to prior year enrollment. We are adopting the sliding scale below in determining how many bids will be issued on-site. Each Event Producer will release its Bid Declaration 3 weeks prior to their Worlds Bid Competition which will spell out their exact process for issuing their bids. For questions, please contact your bid giving Event Producer.
