How does Match Play work?

All teams compete normally as scheduled in the first round of competition. **PLEASE NOTE:** Since Fundamentals, Novice, and Prep are only allowed to perform once per the USASF guidelines. Teams in these divisions will not participate in the Match Play Round. Exhibitions also do not participate in the MATCH PLAY ROUND.

In divisions with only 2 teams, the teams will compete normally as scheduled and that will serve as their MATCH PLAY ROUND. The winner will be announced in the awards ceremony.

In divisions with more than 2 teams, the results of ROUND ONE will be announced in the awards ceremony up through 3rd Place. At that point, the top two placing teams are announced in no particular order as qualifying for MATCH PLAY. These teams return to warm-ups to prepare for Match Play where the slate is wiped clean and only the routine during Match Play determines the winner.

During the MATCH PLAY ROUND - the 2 teams are announced back to the performance floor together. The announcer flips a coin to determine which team performs first. The teams shake hands and wish each other good luck. The other team will take a seat beside the floor to watch. After the first performance, the teams switch places. Once both have performed, the teams group together on the mat and await the decision of the judges to see which team is crowned MATCH PLAY CHAMPIONS!

All Times are Estimates.
