

Hello Coaches!

We are only a few days away from the 2019 UCA & UDA College Cheerleading and Dance Team National Championship. As you and your team are preparing, we have some important pieces of information we need to pass on to you.

Coaches' Webinar:

Instead of having coaches' meetings on site at the resorts, here is a video webinar with all of the information you need. This will allow you to prepare for your trip and to share information with all of your coaches. Once you arrive in Orlando, we will have UCA & UDA representatives available for any questions you may have at the Coaches' Registration Tent located at Celebrity Hall between the Disney's All Star Sports and Music Resorts.

See you very soon!
