Hello Coaches!

Exciting news! UCA is offering exclusive complimentary rehearsal times to those staying at the Hilton Lake Buena Vista for the National High School Cheerleading Championship. There will be ample space to run through your stunts and mark through the routine (please note there are ceiling height restrictions).

Each team will get 20 minutes on the mats regardless of the number of divisions you're competing in. We will try to put teams from the same school near the same time slot but special requests cannot be guaranteed - practice slots will be filled on a first come first served basis.

HOURS OF REHEARSAL

Thursday, 2/8 - 5:00PM-9:30PM

Friday 2/9 - 9:00AM-6:00PM

Once you complete the Wufoo form, you will be contacted within 24 hours by [Melanie Chaney](#). Please do not contact your registration specialist to sign up for a time. To schedule your rehearsal time, please complete the form below.

Just a reminder, teams may not just show up for open rehearsal, you **MUST** schedule a session. Parents are not permitted to enter the rehearsal area, only coaches and athletes will be granted access. We hope that you enjoy this benefit of staying at the Hilton Lake Buena Vista!

Thanks!
