# 2020 - 2021 UCA All Star Divisions

## DIVISIONS

UCA will adhere to the USASF / IASF guidelines for splitting competition divisions. Divisions will be evaluated periodically through the season (July 15 & August 31st). Please visit [www.usasf.net](http://www.usasf.net) for specific breakdowns and changes.

## AGE ELIGIBILITY REQUIREMENTS

An athlete's date of birth must be on or between the dates listed to be eligible for the divisions. Background checks are an eligibility requirement for "adult" athletes on teams. Adults are athletes born in the year 1999 or earlier.

## CROSSOVERS AT UCA ALL STAR COMPETITIONS & NATIONALS

An all star cheerleader is limited to crossing over to 2 (two) additional cheer teams from their gym during the competition. Crossovers at the UCA International All Star Championship will be allowed between most levels given the following restriction: Level 1 teams will not be allowed to crossover to Levels 5, 6 or 7. UCA will attempt to ensure teams with crossovers do not have overlapping performances during the preliminary and finals schedule.

## RULES AND REGULATIONS

All athletes attending the International All Star Championship (IASC) must be a rostered athlete, listed on their official event roster and follow all of the rules and regulations of the event. The IASC will follow the USASF guidelines regardless of the country or division in which they are competing.
