STEP-BY-STEP GUIDE ON FILMING YOUR ROUTINE

VIRTUAL DIVISIONS

Teams that compete virtually will not be competing head-to-head against teams that are competing in-person. For details about our Divisions, Rules and Scoring, click above.

All divisions will be guaranteed a Semi-Final and Final round of the competition. 50% of the actual number of teams competing will advance from Semi-Finals to Finals. Score sheets and rankings will be sent to all teams. Teams who advance to Finals will have the option to record a new routine and upload, or they can upload the same video they used for Semi-Finals. If teams choose to record again, the coach will again need to use the College template in the new recording as well.

FILMING YOUR ROUTINE

We've created a step-by-step PDF guide, with filming requirements and tips. More details will be provided upon registration regarding the template, release waivers and recording timelines.

AWARDS

- All virtual participants will receive drawstring bags and lanyards
- Semi-finalist teams will receive a plaque
- Teams in Finals will receive placement trophies
- 1st-3rd place will receive medallions

ELIGIBILITY

Teams wishing to compete in the College Virtual National Championship must have pre-approval to participate and be eligible to compete. All teams must submit a letter on school letterhead from your school administrator for approval. Please include in the letter your school name, coaches name and why you are unable to attend the event in-person. Please submit all letters to College@varsity.com. Once you submit your letter, you will receive an email back and if approved it will include the link to register for the Virtual Divisions.

VIRTUAL PRICING
