

Steps to Register and Compete in the Virtual Divisions at NHSCC:

1. Teams wanting to compete in the Virtual Divisions at NHSCC must qualify to compete via camp and receive a bid. Teams competing in the virtual divisions must follow all rules and guidelines for NHSCC including the National Championship Participation rule (page 13 of [UCA Rules](#)).
2. All teams must submit a letter on school letterhead from your school administrator for approval. Please include in the letter your school name, city, state, camp where qualified, where you received your bid, coaches name, and why you are unable to attend the NHSCC in person. Please submit all letters to NHSCC@varsity.com.
3. When your letter is approved, you will receive an email with the registration link for the Virtual Divisions. Please click on that link to register.
4. Once your team registers UCA will email you the NHSCC template. You must hold up this template on your video prior to your performance. It cannot be edited into your performance video, it must be one continuous video from the template to the routine.
5. When the scheduled upload for semi-finals opens on April 5th, teams who have completed all forms, accepted the terms and conditions and paid in full will be sent an email with the upload link and instructions to upload your video. Your semi-finals video must be uploaded by midnight CST on April 7th.
6. The semi-final round will take place and then the finalists will be announced on April 12th. All teams will receive their score sheets and rankings from semi-finals via email.
