

USA Cheer Safety Risk Management Course documentation

Cheer coaches are required one coach per cheer team to complete the Safety Risk Management certification course and must accompany the team at the National Championship (In-person and Virtual). Proof of certification is required upon registering for the National Championship. Below is an example of the Member ID you should submit with your registration, enrollment letter (if applicable) and medical release waivers.

USA Cheer Coach Membership is available for cheerleading coaches. This membership comes with member-only newsletters, and special rates on USA Cheer merchandise and select online courses.
