Hello Coaches!

It is almost time for the 2021 UCA National High School Cheerleading Championship. As you and your team are arriving, we have some important pieces of information we need to pass on to you.

**Coaches' Webinar:**

Instead of having coaches' meetings on site at the resorts, here is a video webinar with all of the information you need. This will allow you to share information with all of your coaches.

See you very soon in Orlando!
