Dear Coaches,

We are a few short days away from seeing you all in Orlando! For those teams staying on the Hotel Travel Package, we have optional open practice available for you to sign up for. Just a reminder that due to safety protocols on Walt Disney World property, all team practices can only be in a designated areas during a scheduled time. The designated area for *cheer teams* is in the parking lot away from the registration tent at Disney's All Star Movies Resort. The designated practice area for *dance teams* is near the Winners Circle at All Star Movies. These areas can only be used during the designated times in the sign up below.

Teams are able to sign up for one 20 minute time slot, per routine, per day. Teams will need to bring their own sound system and water. This is an outdoor practice so it is weather permitting. If you are interested in taking advantage of this optional practice time, please click on the link below and select your times no later than Tuesday, April 26th at 5:00 pm. If you are doing multiple routines, you will need to complete one form per routine.

Please let us know if you have any questions and see you VERY soon!
