UCA SCHOOL GUIDELINES AND DIVISIONS

(Performance Routine and Game Day Divisions)

Athletes may only perform up to 2 times if one routine is a performance routine and the other is a game day routine. If an athlete is performing 2 times, they must be representing the same program/school in both performances.

UCA/UDA strongly recommends that you have an alternate (not a member of another competing squad at the same event), who is prepared to substitute in the event of injury, probation, etc. No cheerleader/dancer may represent more than one Team, even in the event of injury or emergency. Once a team checks into the event, the team will not be allowed to change divisions.

All Junior High Divisions – 9th Grade and Below

Junior High Divisions WILL be allowed 9th grade participants if (1) they attend a school that is under the administrative supervision of the same school board as the junior high school that they are representing AND (2) a minority of the team are 9th graders. Junior High teams with majority of 9th grader participants must compete as a Junior Varsity.

All Junior Varsity Divisions – 7th Grade -12th Grade

Junior Varsity Divisions WILL be allowed 7th and 8th grade participants if they attend a school that is under the administrative supervision of the same school board as the high school that they are representing. Junior Varsity teams must be the official Junior Varsity of the school they represent. Teams will only be allowed to compete in the Junior Varsity Division if they are the official Junior Varsity team. If there is only one team from a school, that team will be required to compete in the Varsity division and meet the Varsity Division grade restrictions. Teams that have members that cheer varsity sports must compete as a varsity team.

All Varsity Divisions – 8th Grade - 12th Grade

7th grade and below participants will NOT be allowed on a Varsity team. 8th grade participants will be allowed to participate on a Varsity team if the school they attend is under the direct administrative supervision of the same school board as the Varsity team they are representing. If there is only one team from a school, that team will be required to compete in the Varsity division and meet the Varsity Division grade restrictions. Teams that have members that cheer varsity sports must compete as a varsity team.

Game Day Divisions

Individuals are only allowed to compete in a performance routine division and a game day division for the same school. If a Junior Varsity and Varsity combine for a Game Day Division, they must compete in the Varsity Divisions.

Teams may add up to 1 (one) mascot in their Game Day Routine. The mascot must enter the floor with the team and should be used to raise crowd energy and participation. The mascot is not allowed to be involved in any stunts / technical skills and or tumbling and should position themselves away from skills being performed. The mascot will not count towards the total number of participants allowed.

Game Day Live Divisions

For more info on Game Day Live, go to page 11-12.

Please visit uca.varsity.com for a complete listing of divisions for regional competitions as well as the National High School Cheerleading Championship.

UCA OPEN RECREATIONAL GUIDELINES AND DIVISIONS

Athletes may only perform up to 2 times if one routine is a performance routine and the other is a game day routine. If an athlete is performing 2 times, they must be representing the same program/school in both performances.

UCA/UDA strongly recommends that you have an alternate (not a member of another competing squad at the same event), who is prepared to substitute in the event of injury, probation, etc. No cheerleader/dancer may represent more than one Team, even in the event of injury or emergency. Once a team checks into the event, the team will not be allowed to change divisions.

Open Recreational Guidelines

1. Open Recreational divisions are determined by the age of the oldest team member. **For the 2021-2022 season, athletes must be born during the year, or partial year listed to be eligible for that division.**
2. Teams must submit a Varsity Recreational Roster Verification Form at each event.
3. Open Recreational Teams will require one coach per cheer team to complete the USA Cheer Youth Safety Risk Management certification course and must accompany the team at every competition. Proof of certification is required upon at registration for every event.
4. Basket tosses, elevator tosses, and similar multi-based tosses are prohibited.

Affiliated Open Recreational Divisions

The Affiliated Recreational Divisions exist for teams with the main purpose of cheering for and/or supporting a recreational team (i.e. youth football, pee wee sports, community sports teams, etc.). All Recreational Cheer teams will need to submit a Varsity Recreational Roster Verification at each event. This form can be found online at varsity.com/youth-rec/competitions/divisionsandscoreing/.

Teams with a school affiliation may compete in the recreational cheer traditional division, only if at least half of the participants are in the 6th grade or younger and meet the age requirements. Teams with a school affiliation that have a majority of 7th and 8th graders must compete in the junior high division.

Non-Affiliated Open Recreational Divisions

Non-Affiliated Recreational Cheer Divisions exist for teams who will follow the same 2 and 1/2 minute routine format with cheer/sideline and music and all other rules and regulations along with all other teams competing at any UCA event and the NHSCC.

CODE OF CONDUCT

UCA encourages and supports sportsmanship, integrity and fairness among participants and coaches in all facets of cheerleading including, but not limited to, team/squad practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities, and believe that coaches are instrumental in promoting and instilling this among their respective team members.

To ensure the most positive experience for all attendees, UCA asks that the following Code of Conduct be adhered to during all UCA Regional Competitions and National Championship:

1. Any questions or concerns that affect a team's performance or experience must be communicated by the coach to the AccuScore Table. The appropriate Official will then be called to discuss the situation with the coach.
2. Participants, coaches, or spectators are prohibited from contacting the Judges during the competition.
3. Judges' rulings are final related to deductions, final team placements and legalities.
4. Any unruly, aggressive, or belligerent behavior by participants, coaches or spectators toward any other attendee or Event Staff will result in a deduction, potential team disqualification, removal from the event and/or barred participation from future UCA Regionals and Championships.
5. Varsity Spirit reserves the right to remove any persons from a competition for unsafe or unsportsmanlike conduct

SCHOOL ELIGIBILITY POLICY

1. All members of the cheerleading squad must be current members of the official school spirit squads and must attend the school they are representing. (Exception: this will not preclude participation from sister schools for same-gender schools as long as they are official members of the squad.)
2. Individuals are NOT permitted to compete on two **different** School/Rec Teams but are permitted on both a School Team and an All Star Team at the same event. Individuals are allowed to compete in a performance routine division and a game day division for the same School/Rec Program. If Varsity members and Junior Varsity members combine for a Game Day Division, they must compete in the Varsity Divisions.
3. Teams may participate in more than one local or regional competition during the season.
4. The team should display an overall behavior conducive to serving as public representatives and ambassadors of their school/organization.

CHEER COACH MEMBERSHIP

USA Cheer has developed a comprehensive [Membership Program](#), which includes a background check, athlete protection training, acknowledgement of concussion training with return to participation guidance, a member code of conduct, and safety training courses on risk management and safety rules.
2. **Beginning with the upcoming 2021-22 competition season, Varsity Spirit will require that all school coaches, choreographers and personnel wishing to access the warmup area, backstage or coaches' box at our competitions have a USA Cheer Coach or Professional Membership.**

UNIFORM GUIDELINES

1. UNIFORMS
 - a. All participant uniforms must cover the midriff when standing at attention. Covered midriff does include flesh or nude colored body suits and liners; however, fringe would not count as a cover.
 - b. Any team in violation of the uniform guidelines will be assessed a five (5) point deduction.
 - c. A traditional sideline uniform (that covers the midriff when standing at attention and has an element that is identifiable to your school – colors, logos, letters, mascot, etc.) is required for all Game Day divisions.
 - d. Teams may not use Disney themes nor may they have costumes that resemble a Disney character. However, Disney music is acceptable if following the music guidelines.
2. MAKE-UP
 - a. If worn, make-up should be appropriate for both the performance and age of the athletes, utilizing colors suitable for skin tone.
3. HAIR
 - a. Hair for all athletes does not have to be worn the same but must be secured off the face with a simple style that considers all diversities.

- b. Bows are not required, however if worn bows should not be excessive in size and shouldn't be a distraction to the performance. Bows should be worn in a manner to minimize risk for the participants, should be adequately secured on the back of the head with the tails facing down and should not fall over the forehead into the participants' eyes or block the view of the participants while performing. A .25 deduction will be given for teams in violation of this rule.

TIME LIMITATIONS

1. Each performance routine presentation must include at least one cheer or sideline chant. The musical portion must not exceed one minute and thirty seconds. Total time limit is two minutes and thirty seconds. Timing will begin with the first movement, voice, or note of music, whichever comes first.
2. Each Game Day performance should consist of a Band Chant, Situational Sideline, Time Out Cheer and Fight Song. The maximum performance time must not exceed three minutes.
3. Game Day Live performances will allow one (1) minute for Pep Bands to play and set up formation prior to the cheer team being called and will have 30 seconds to exit the competition floor.
4. The Game Day Live performance consists of four elements—Band Chant, Situational Sideline, Crowd Leading and Fight Song—combined in a 3-minute performance by the pep band and cheerleaders, just like the current game day format. The entire performance may not exceed 5 minutes with entry and exit of all performers.
5. Timing will not include the team spiring, rallying, or individuals performing jumps, kicks or tumbling, but will begin with the first group movement, voice, or note of music, whichever comes first.
6. If a team (cheer team or pep band) exceeds the time limit, a penalty will be assessed for each violation. One (1) point deduction for 1-5 seconds over, Two (2) point deduction for 6 and over.
7. Acknowledging the potential variance caused by human reaction speed and sound system time variations, judges will not issue a deduction until 3 seconds over the allowed time. If a routine is retimed as part of a review, the exact time will be used without the 3 second allowance listed above
8. Because penalties are severe, it is recommended that all teams time their performance several times prior to competition and leave a several second cushion to allow for variations in sound equipment.
9. Introductions
 - a. All introductions (entrances, chants, spellouts, etc.) are considered part of the routine and will be timed as part of the performance. Stunts are not allowed during the team's entry to the floor or any time prior to starting the performance.
 - b. All team breaks, rituals and traditions need to take place prior to entering the mat.
 - c. Teams should take the floor immediately with spirit and enthusiasm, but without excessive gestures. Stunts are not allowed during the team's entry to the floor or any time prior to starting the performance. Example: stunts, running of the flags, chest bumps, hugs, handshakes, etc.
 - d. All teams should refrain from any type of excessive celebration following the team's performance. Any team in violation will receive a ONE point deduction.
 - e. There should not be any organized exits or other activities after the official ending of the routine.

MUSIC GUIDELINES

1. I have read and understand the USA Cheer Music Copyrights Educational Initiative and all sound recordings used in our team's music shall only be used with written license from the owners(s) of the sound recordings.
2. For the most up to date music information, visit <http://varsity.com/music>. If you have any questions, cheer teams should email info@usacheer.net. Please check Music Provider list for updates and changes periodically.
3. Teams must be able to provide proof of licensing, in the form of a printed copy, during registration at the event. For example:
 - a. Clementine – provide team's invoice from camp.
 - b. Itunes – provide screenshot of the song you are using from your purchased playlist
 - c. Music Provider – provide a printed copy of proof of licensing.
 - d. Band Music - If you'd like to perform to a recording of your band playing a single musical composition, you will need to provide documentation that confirms the following:
 - The team has secured a compulsory license to make copies of the recording made by the band or orchestra
 - The band or orchestra recorded the song for and in conjunction with the cheer/dance squad
 - The school principal or dean was aware of and approved this recording
 - The band or orchestra does not provide music to other cheer/dance squads
 - No other musical compositions are embodied in the recording to be used by the authorized cheer/dance squad
4. If your team is featured in the TV broadcast and uses an original composition created for your performance, your routine music will be used in the show if you also secured synchronization rights. Teams must be able to provide written documentation that synchronization rights were properly secured during registration at the event for the original routine music to be included in the show.
5. When recording your music for the event, coaches or music editors should edit their song in a Digital Audio Workstation (DAW) and make sure that the volume of the song is at 0. Things to note: Most DAW's have a default that sets a track at -6 when a track is added. Check to see if there is a normalization process after you render or save your work.
6. If you would like to perform your school's original fight song, you may bring a recording of your marching band playing the song. You will need to get the school's permission to use the song and recording. A letter granting permission for the cheer or dance team to use the fight song on school letterhead is enough. It should be signed by your program's administrative supervisor. Go to varsity.com/music for more details.
7. If a team does not have required paperwork, they will be given the option to count the routine verbally or perform to an approved track of music or a track with counts (Provided by Varsity Spirit).
8. If a team does not have the required paperwork and chooses not to count the routine or perform to an approved track of music or a track with counts, the team will be disqualified from the competition and not allowed to perform or compete.
9. If there are concerns regarding a certain team's use of music, a Challenge Form must be completed immediately following the team's performance.
10. A challenge can only be made by the official coach of a team competing at the event at which the challenge is being made.
11. Challenge Process
 - a. All music challenges must be submitted in writing to the event director.
 - b. There will be \$100 fee to request a music challenge and must be in the form of a check made out to St Jude Children's Research Hospital.
 - c. Fees collected will be voided if challenge is correct.
 - d. If the team challenged can provide documentation during the event and can be verified, the fees will be donated to St. Jude.
 - e. If the team challenged can provide documentation that requires further review, a decision will be finalized within 48 hours of the event.
12. It is required that each team have a responsible adult at the music station that knows the routine and music (no alternates or team members allowed). This representative is responsible for pressing "play". Should an adult choose

not to stay at the music table for the duration of the routine, and a malfunction occurs, teams may or may not be permitted to perform the routine again. Clarification: Athletes/Alternates are not allowed.

13. It is not recommended that a smart phone be used for playing music, due to interference that may be caused during a routine. No cover may be on any MP3 player so that a jack may be easily inserted into the device.
14. All teams must provide their own device for use on the event provided sound system. Music should be on a digital music player/iPod/iPhone. CD's will no longer be allowed, and CD players will not be provided at competition.
15. Please make sure that all devices have a headphone jack to connect to sound system and are fully charged, volume turned up and placed in airplane mode.
16. Please ensure that jacks are clean and free of any debris which may impact connectivity. You will need to acquire an adapter in advance if your player does not have a headphone jack.
17. Teams may not use Disney themes nor may they have costumes that resemble a Disney character. However, Disney music is acceptable if following the music guidelines.
18. VIRTUAL COMPETITION MUSIC GUIDELINES
 - a. School Cheer & Open Rec: All routines will be judged with sound and available for Varsity TV subscriber viewing with sound for 48 hours once the event goes live. INTERRUPTION OF PERFORMANCE

UNFORSEEN CIRCUMSTANCES

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected should STOP the routine.
2. The team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The degree and effect of the interruption will be determined by the competition officials.
3. While masks are not required on the warmup floor and/or performance floor unless dictated by state or local guidance, an athlete may choose to wear a mask. If an athlete chooses to wear a mask during the performance and the mask restricts the athletes view and/or interferes with skills or otherwise becomes a safety concern, the athlete should either secure or remove the mask. If the athlete does not secure or remove the mask, the routine is subject to being stopped by competition officials. If stopped, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the routine was previously stopped. Competition officials will determine the impact of the interruption.

FAULT OF TEAM

1. In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.
2. The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred.

INJURY

1. The only persons that may stop a routine for injury are: competition officials, the advisor / coach from the team performing or an injured individual.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team must perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred.
3. The injured participant that wishes to perform may not return to the competition floor unless:
 - a. The competition officials receive clearance from, first, the medical personnel attending to that participant, the parent (if present) AND THEN the head coach/advisor of the competing team.
 - b. If the medical personnel do not clear the participant, the participant can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver.
 - c. Any athlete who exhibits signs or symptoms of a suspected concussion will be removed from the activity immediately and will not be allowed to participate (i) within 24 hours of the incident AND (ii) without first being cleared by a medical professional trained in concussion management.
4. In addition, the sponsor/director and all of the coaches attending the competition must be familiar with all federal, state and local laws applicable to such individuals and relating to such individuals' duties and responsibilities regarding the recognition and treatment of injuries.

SPOTTER POLICY

UCA will allow teams to provide additional spotters in the warm-up room only. The use of additional spotters is left to the discretion of the coach. Teams may use up to 4 additional spotters for each warm-up; however, additional spotters are not required.

The use of additional spotters is not mandatory and will be at the discretion of the coach. Spotters will be available on the main competition floor at all venues.

1. Should only be used during the stunt, pyramid, and/or basket toss sections. Additional spotters should stand at the back of the floor when not spotting those sections.

SPORTSMANSHIP

1. All participants agree to conduct themselves in a manner displaying good sportsmanship throughout the competition with positive presentation upon entry and exit from the performance area as well as throughout the routine.
2. The advisor and coach of each team is responsible for seeing that team members, coaches, parents and other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification.
3. When a coach is in discussion with an official, other coaches, athletes and parents/spectators, they must maintain proper professional conduct. Failing to do so may result in 1.0 deduction, removal of coach or disqualification.
4. Additionally, athletes and coaches who do not comply with the face covering requirement may be assessed an unsportsmanlike deduction of 1 point.
