## Event Reminders

All coaches and spectators not fully vaccinated MUST wear masks inside all venues. Athletes who are not fully vaccinated must wear masks inside all venues except when on the rehearsal floor and competition floors. They must wear masks when they enter the venue, can take them off for warm up, and for competition but must wear them at ALL other times. Coaches must safely secure masks when not worn and redistribute after the team comes off the floor. Masks must be worn during awards for athletes not fully vaccinated. Masks will be required on all buses. Please help us adhere to this during the event.

Anyone entering the warm up area, backstage or music area, must have a USASF Cheer wristband. These will be given out at registration by showing each persons USA Cheer Membership card and ID. Each person must be present to get their wristband. If coaches do not make it to registration, they can get their wristband at the customer service locations at ESPN Wide World of Sports.

If your team is wanting to stretch or warm up at ESPN Wide World of Sports, the only place you can do that is Field 25. This location was shown on the map earlier in the webinar. Please help us adhere to this policy.

Awards will be LIVE and in person and also shown on Varsity TV. See Awards Schedule for times and locations.
