SCHOOL TEAM PARTICIPATION

The minimum number of participants a team can have for a regional competition is five (5). The minimum number for NDTC is seven (7). There is no maximum. Teams competing with two routines must stay in the same division, but can have different numbers in both routines. Teams will be able to trade out, remove, or add a designated number of dancers between their 2 categories, based on their division. Teams may continue to trade out dancers and maintain the same number of performers in both routines. Teams who compete in Kick and one other category will follow the rules based on how many dancers they have for their other category (ie Jazz, Pom, and Hip Hop). The breakdown is as follows, and is based on the number of dancers performing:

Small Varsity teams may trade out, remove, or add up to two (2) dancers. Medium Varsity teams may trade out, remove, or add up to three (3) dancers. Large Varsity teams may trade out, remove, or add up to four (4) dancers. Junior High and Junior Varsity teams will follow the breakdown based on number of dancers performing as previously listed.

Dancers may perform with both a school and all star team, but may only do a max of five (5) performances at both a regional and at NDTC. Dancers performing with just an all star team may only perform a max of five (5) times. For example, dancers may do:

- A) 3 all star performances and 2 school performances*
- B) 2 all star performances and 3 school performances (if your school team also participates in game day)*
- C) 5 all star performances ONLY*
