

NDTC Game Day Spirit Video

Deadline January 7, 2020

We are excited to include a “Spirit Video” in UDA’s Game Day Championship scoring. Teams competing in Game Day at Nationals will submit a video in early January that will include footage of the dance team in school and in the community. There is a possible total of 15 total points to be earned and these will be played during the team’s performance at NDTC.

The time length of the Spirit Video should not exceed 45 seconds. Please split the video clips up as evenly as possible between the :45 to ensure each section has a similar amount of time. This will also give the opportunity for each clip to score the full 3 points that it is designated. Please be sure to label each section on the video. The entire spirit video must be video footage- no still shots/pictures/boomerangs will be counted in scoring. All video clips MUST be from the 2019-2020 school year.

Music Guidelines for Spirit Video

- Only music captured incidentally (i.e., in the background of the video) will be permitted
- No music can be edited into the video
- All music captured from half-times, games, etc. highlighted in the video will need to follow the music guidelines

Section One: Community Involvement- (This section should show a minimum of 2 different activities) This includes any event that the dance team participates in that is a non-sporting event. Each event represented should be different. This can include but is not limited to parades, community service, races, community performances or any other “involvement” your dance team has off campus. Please label each activity.

Section Two: School Involvement (This section should show a minimum of 2 different performances) This section will include any performance that is used for entertainment purposes at your school. This includes any performances at games (sidelines, timeouts, halftimes, etc.), pep rallies, orientations or any other “involvement” your dance team has at school. Please label each performance.

Section Three: Choice of Community or School Involvement (This section should show 1 video of your choice between school/community) This section will include any event that your dance team performs/participates in within the community or the school. Please label each performance.
