Here's how Virtual Training Works: Three days prior to your camp / choreography start date, you will receive an email from us with an invite that unlocks your personal Zoom meeting. As the coach, you will simply forward the invite along to all of your dancers and make sure they know what time camp starts to log in from home. Or – if you are unable to have outside help at your school, you can gather in your gym / practice area and we will work with you remotely via Zoom.
