We are excited to be able to offer Virtual Divisions at the 2021 UDA National High School Dance Team Championship for those teams who are unable to join us in Orlando.

STEP-BY-STEP GUIDE ON FILMING YOUR ROUTINE

DIVISIONS, RULES AND SCORING

VIRTUAL DIVISIONS

Teams that compete virtually will not be competing head-to-head against teams that are competing in-person. Depending on the size of the virtual competition, some divisions may be split or combined. For details about our Divisions, Rules and Scoring, visit uda.varsity.com.

All Divisions will be guaranteed a Semi-Final and Final round of competition. 50% of the actual number of teams competing will advance from Semi-Finals to Finals. Once the finalist is announced, score sheets and rankings will be emailed out. Teams who advance to Finals will have the option to record a new routine and upload, or they can upload the same video they used for Semi-Finals. If teams choose to record again, the coach will again need to use the NDTC template in the new recording as well. Teams competing in the Virtual Divisions must follow all of the same rules as the in-person event.

FILMING YOUR ROUTINE

We've created a step-by-step PDF guide, with filming requirements and tips. More details will be provided upon registration regarding the template, release waivers and recording timelines.
