Coaches,

As a follow up to last week's email from Varsity Spirit President, Bill Seely, we wanted to share a resource with you that can be shared with whomever is the decision maker on whether you are able to travel to Orlando and participate at the UDA National Dance Team Championship. The letter below from our President, Bill Seely, explains how special the championship experience is along with all of the work we have done with our partners at Disney to make NDTC safe, rewarding and fun for everyone joining us.

Please feel free to download this PDF and send it to your Principal, Athletic Director, Administration, etc.

We understand that it's not possible for every team to participate, but *if you can*, UDA is here to help you every step of the way. For the latest NDTC updates, [click here](#). If you

need additional resources, contact your State Director.

Thanks,

- UDA
