

Dear Championship Attendees,

We are so excited for you to be joining us in Orlando next month!

The Walt Disney World Resort is requiring release waiver forms from everyone attending the event this year. Everyone listed on your invoice must complete a release waiver.

*These forms must be completed and turned in at registration in Orlando. [Click here to print a copy.](#)*

When you arrive at the Varsity Spirit check-in location at the Walt Disney World Resort, you will receive ticket media (card) for each ticket purchased once your waiver is turned in. You will need to link your park tickets and park reservations to this ticket media (card). You will not be able to receive this ticket media (card) until your waiver is returned in Orlando. For more information about how to link your ticket media (card) to your park reservations once you receive your card, go [HERE](#) to page 22.

The form above is for spectators staying on the Hotel Travel Package and individuals who purchased our Discounted Park Hopper Tickets only. Coaches and athletes are required to complete a separate Athlete / Coach waiver. Please see your [championship event page](#) for more information.

Thank you!
