- Dancers may compete six (6) times with their all-star program only.

JUDGING PROCEDURES

The judges for the event will be appointed at the sole discretion of Universal Dance Association. As the teams make their presentations, the judges will score a portion of the scoresheet. Judges scores will be AVERAGED together to determine the overall team score.

SCORES AND RANKINGS

Individual score sheets are for the exclusive use of each judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to coaches at the conclusion of the event. Please note that all judges' decisions are FINAL. Any deductions or violations will be taken off the final score. In the event of a first-place tie, event officials will look at the raw scores per judge to see which team was ranked higher most often in each caption. Should a tie remain, the ranking points from the "overall Impression" portion of the score sheet will be used to break the tie. No first-place ties in a preliminary or semi-final round will be broken.

Our National Dance Team Championship ONLY will now move to a two time compete for All Star Divisions. This means that all performances will compete twice with Round 1 counting for 25% of the score and Round 2 counting for 75% of the total score.

FINALITY OF DECISIONS

By participating in this competition, each team agrees that all decisions by the judges will be final; questions concerning comments on the score sheet will be allowed, however scores and judges decisions will remain final. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative, or procedural review of such decisions.

DISQUALIFICATION

Coaches will be asked to fill out a Routine Review Form with their concerns and will need to allow up to two business days following the conclusion of the event for their submissions to be reviewed. Questions regarding another team and/or their performance will not be allowed. Not all routine review forms will be handled on site.

SPORTSMANSHIP

1. All participants agree to conduct themselves in a manner displaying good sportsmanship throughout the competition with positive presentation upon entry and exit from the performance area as well as throughout the routine.
2. The advisor and coach of each team is responsible for seeing that team members, coaches, parents, and other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification.
3. When a coach is in discussion with an official, other coaches, athletes, and parents/spectators, they must maintain proper professional conduct. Failing to do so may result in a 1-point penalty, removal of coach, or disqualification.

INTERRUPTION OF PERFORMANCE

UNFORSEEN CIRCUMSTANCES

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected should STOP the routine.
2. While masks are not required on the warmup floor and/or performance floor unless dictated by state or local guidance, an athlete may choose to wear a mask. If an athlete chooses to wear a mask during the performance and the mask restricts the athlete's view and/or interferes with skills or otherwise becomes a safety concern, the athlete should either secure or remove the mask. If the athlete does not secure or remove the mask, the routine is subject to being stopped by competition officials.
3. If allowed to perform again, the team must perform the entire routine, but will be evaluated ONLY from the point where the interruption occurred. The degree and effect of the interruption will be determined by the competition officials. Teams that limit/mark skills prior to the point of injury could result in an adjustment in scores based on the skills performed. Teams will still receive any deductions/legalities from the previous performance(s) until the point of interruption. Teams will not be issued new deductions during the additional performance(s) prior to the point of interruption.

FAULT OF TEAM

1. In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.
2. The competition officials will determine if the team will be allowed to perform later. If decided by officials, the team will perform the routine again in its entirety but will be evaluated ONLY from the point where the interruption occurred.

INJURY

1. The only persons that may stop a routine for injury are:
 - a. competition officials,
 - b. the advisor / coach from the team performing or
 - c. an injured individual.
2. The competition officials will determine if the team will be allowed to perform later. If the competition officials allow a routine to be performed later, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team may perform

the routine again in its entirety but will be evaluated ONLY from the point where the interruption occurred.

3. The injured participant that wishes to perform may not return to the competition floor unless:
 - a. The competition officials receive clearance from, first, the medical personnel attending to that participant, the parent (if present) AND THEN the head coach/advisor of the competing team.
 - b. If the medical personnel do not clear the participant, the participant can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver.
 - c. Any athlete who exhibits signs or symptoms consistent with concussion should be removed from the activity at that time and should not be allowed to return to activity that day. The athlete should not return to activity on a subsequent day until evaluated by and receives written clearance for such participation from a qualified physician (MD or DO specifically trained in concussion management).
 - d. In addition to the Varsity Brands head injury policy, we encourage you to be familiar with the specific laws of the state where the competition is being held.

APPEARANCES, ENDORSEMENTS, AND PUBLICITY

All teams winning titles, awards, or prizes agree to have all appearances, endorsements, and publicity approved through the NDTC office.

All rehearsal areas will ONLY hold 8 panels of marley. All performers (unless injured) must remain within the performance area throughout the entire routine. Dancers can only enter the performance area through the designated entry at the beginning of the routine and exit at the designated exit at the end of the routine. Athletes will not be penalized for leaving the performance surface but must stay within the performance area throughout the duration of the routine.

MUSIC GUIDELINES

1. I have read and understand the USA Cheer Music Copyrights Educational Initiative and all sound recordings used in our team's music shall only be used with written license from the owners(s) of the sound recordings.
2. For the most up to date music information, visit <http://varsity.com/music>. If you have any questions, dance teams should email musicinfo@varsity.com. Please check the provider list for updates and changes periodically.
3. Teams must be able to provide proof of licensing, in the form of a printed copy, during registration at the event.
4. If your team is featured in the TV broadcast and uses an original composition created for your performance, your routine music will be used in the show if you also secured synchronization rights. Teams must be able to provide written documentation that synchronization rights were properly secured during registration at the event for the original routine music to be included in the show.
5. When recording your music for the event, coaches or music editors should edit their song in a Digital Audio Workstation (DAW) and make sure that the volume of the song is at 0. Things to note: Most DAW's have a default that sets a track at -6 when a track is added. Check to see if there is a normalization process after you render or save your work.
6. If you would like to perform your school's original fight song, you may bring a recording of your marching band playing the song. You will need to get the school's permission to use the song and recording. A letter granting permission for the cheer or dance team to use the fight song on school letterhead is enough. It should be signed by your program's administrative supervisor. Go to varsity.com/music for more details.
7. If a team does not have required paperwork, they will be given the option to count the routine verbally or perform to an approved track of music or a track with counts (Provided by Varsity Spirit).
8. If a team does not have the required paperwork and chooses not to count the routine or perform to an approved track of music or a track with counts, the team will be disqualified from the competition and not allowed to perform or compete.
9. If there are concerns regarding a certain team's use of music, a Challenge Form must be completed immediately following the team's performance.
10. A challenge can only be made by the official coach of a team competing at the event at which the challenge is being made.
11. Challenge Process a) All music challenges must be submitted in writing to the event director. b) There will be \$100 fee to request a music challenge and must be in the form of a check made out to St Jude Children's Research Hospital. c) Fees collected will be voided if challenge is correct. d) If the team challenged can provide documentation during the event and can be verified, the fees will be donated to St. Jude. e) If the team challenged can provide documentation that requires further review, a decision will be finalized within 48 hours of the event.
12. It is required that each team have a responsible adult at the music station that knows the routine and music (no alternates or team members allowed). This representative is responsible for pressing "play". Should an adult choose not to stay at the music table for the duration of the routine, and a malfunction occurs, teams may or may not be permitted to perform the routine again.

13. All teams must provide their own device for use on the event provided sound system. Music should be on a digital music player/iPod/iPhone. CD's will no longer be allowed, and CD players will not be provided at competition.
14. Please make sure that all devices have a headphone jack to connect to sound system and are fully charged, volume turned up and placed in airplane mode.
15. Please ensure that jacks are clean and free of any debris which may impact connectivity. You will need to acquire an adapter in advance if your player does not have a headphone jack.
16. Teams may not use Disney themes, nor may they have costumes that resemble a Disney character. However, Disney music is acceptable if following the music guidelines.
