# Cheer Teams Crowd Highlights

## **CROWD HIGHLIGHTS (due Tuesday, January 5, 2016)**

*Highlights of these tapes will be shown at the National Championship*

This portion of your video entry will be due by **5:00pm January 5, 2016**. The time limit is **one minute & thirty seconds**. You may edit this portion of your entry. Here are some tips on getting the best angles and score:

- Film the team so you can actually see them interacting with the crowd. Side angles are also good. Make sure you can see both the cheerleaders and the crowd.
- Show your team using a variety of material (signs, flags or traditional chants or band cheers) to get the crowd motivated.
- All film clips must be from the 2015-2016 school year, and should not include images from summer camp or previous year's activities. Violation of this rule will be subject to one point deduction per occurrence.
- Judging for the crowd segment is based upon the methods and materials being presented by the cheerleaders. You should avoid doing basket tosses and/or elite stunts that are not being used to effectively "lead the crowd".
- In addition to evaluating appropriate and effective crowd leading skills, the traditional role of cheerleaders encouraging the crowd's support of the team will also be considered. The level of actual crowd response will not be the primary criteria for awarding points; rather the methods and materials being presented by the cheerleaders will be judged.
- See the following sample score sheet for further assistance in compiling your team's entry.

## **CROWD HIGHLIGHT JUDGING SHEET**

### **Community and Campus Involvement / Spirit Raising Techniques**

**5 Points** \_\_\_\_\_

These are examples of squad "spirit raising" by various demonstrations of activities within their campus and local community. These examples **are not** within game day arena/stadium situations and should include any event that the team participates in that is a non-sporting event, such as parades, pep rallies, alumni performances, pre and post-game events, community service performances, school fundraising events, campus tours or any other "involvement" your team has on campus. **This section should be approximately 30 seconds long and include a minimum of four (4) different examples.**

### **Crowd Effective Material**

**5 Points** \_\_\_\_\_

During game and other campus/community examples, are the cheer/chant words easy to follow and is the squad positioned for maximum crowd coverage? Does the material used encourage positive crowd participation? Are signs used and are they easy to read and follow? Are the flags, poms or megaphones effectively used to enhance the material? **This section should be approximately 30 seconds long and include a minimum of three (3) different examples.**

### **Effective use of Skills to lead crowd**

**5 Points** \_\_\_\_\_

During game and other campus/community examples, are the team's skills done quickly, are they solid, do they "hit" at the right time? Do they add to the squad's ability to effectively lead the crowd? **This section should be approximately 30 seconds long and include a minimum of three (3) different examples.**

**TOTAL SCORE (15 Points)** \_\_\_\_\_

**The crowd highlights segment counts for 15% of your total score at the National Championship.**

Crowd tapes must be received by 5:00pm January 5, 2016.

**All Videos must be uploaded to UCA.varsity.com / UDA.varsity.com and should be submitted in MP4 or MOV files.**

# Dance Teams Spirit Tape

## **SPIRIT TAPE (due Tuesday January 5, 2016)**

We are excited to include a "Spirit Tape" in UDA's National Championship scoring. Teams competing at Nationals will submit a tape in early January that will include footage of the dance teams in their main responsibility, supporting their universities. The Spirit Tape Scores will carry over to the scores at College Nationals. There is a possible total of 15 total points to be earned from three sections.

**Section One: Community and Campus Involvement**- (This section should be approx. 30 seconds long and show a minimum of 3 activities) This includes any event that the dance team participates in that is a non sporting events. This can include parade, pep rallies, community service performances, campus tours or any other "involvement" your dance team has on campus.

**Section Two: Halftime/Entertainment** (This section should be approx. 30 seconds long and show a minimum of 2 performances) This section will include any performance that is used for entertainment purposes for the University or College. This can include time outs as well as halftime performances. Dance Choreography must compliment and be visual to the audience at the event.

**Section Three: Spirit Raising Techniques** (This section should be approx. 30 seconds long and show a minimum of 3 activities) This section is based on how well the dance team uses their poms, band, cheerleaders or other actions that can be visible in a stadium or arena on the sidelines.

The Spirit Tape will not be scored on how a crowd "reacts" to the dance teams performances or actions but by how well the dance team executes their performances to entertain the crowd.

The time length of the Spirit Tape should not exceed 1 minute and 30 seconds. Please split the three sections up as evenly as possible between 1:30 to ensure each section has a similar amount of time. This will also give the opportunity for each section to score the full 5 points that it is designated. Please be sure to label each section on the video and show in the order above.

Upload your Spirit Tape to [uda.varsity.com](http://uda.varsity.com). For questions about the Spirit Tape email to [cmorris@varsity.com](mailto:cmorris@varsity.com). All Videos must be uploaded by 5:00pm January 5<sup>th</sup> and should be submitted in MP4 or MOV files.

## **Spirit Tape Judging Sheet**

**Community and Campus Involvement (5 Points)**

(Includes non sporting events, pep rallies, parades, community service, etc)

**Halftime/Entertainment (5 Points)**

(Include crowd effective material and choreography that is visual to the audience and where the dance choreography complements the event)

**Spirit Raising Techniques (5 Points)**

(Use of poms, diddys, band, cheerleaders and or any other actions to communicate and entertain the crowd)
