2019 DANCE INTENSIVE CLASSES

Camp Dance

- This is an exciting and challenging routine that your team will learn together. It's a routine taught to an upbeat song with optional sections that vary in degree of difficulty. Your team will love learning and performing this as one!

Routines A, B & C

- Dancers will spend 3 days with an instructor learning a routine to perform on the final days of camp. We encourage dancers to stay in their appropriate level but explore different styles of dance. The more you are able to divide your team, the more have to take home to perform.

Choose Your Challenge

- Work with a USA Instructor on a specialty of your choice! Each team selects a specialty they want to master at their level. Possible classes include jumps and leaps, turns, basic lifts and partnering/combinations, ballet, yoga, staging and formations, and across the floor progressions. This is always a dance camp favorite!

Technique

- All levels of fundamental Jazz and Ballet technique are offered. Coaches will divide their team into the appropriate levels to ensure each dancer's success. Dancers will stay in the same technique level for both days, as Technique II builds on ideas and combinations learned in Technique I.

TeamMaker

- This session is all about fun and teamwork. Dancers will learn to work together and have FUN!

Supersensational

- Dancers are recognized with ribbons for their effort, attitude, and performance in routine classes. Ribbon winners will perform the USA Camp Dance. Selected semi-finalists perform an across-the-floor combination to showcase their technical abilities. The finalists perform their own personalized choreography during the Closing Ceremonies!

Routine Showcase

- This showcase focuses on dancers gaining experience by performing routines in front of their peers. There are no evaluations, so dancers enjoy a stress-free and fun showcase, with family and friends welcomed as spectators.
