HOW TO REGISTER FOR A DRUM MAJOR CAMP IF YOU ARE A BAND DIRECTOR CONT'D.

If you get an error then the Drum Major may already be in the system. Please do not change the spelling of their name, put in a different birthdate, etc. to get them added. Please contact the USA office so we can locate the Drum Major in the system and add them to the registration.

Select the Drum Major/Band Leaders attending camp

If inputting the registration under the school name, **you** will be the one to receive the camp information email approximately 10 days prior to the start of the camp. You will need to make sure to forward this information to the Drum Major/Band Director. If you want the Drum Majors/Band Leaders to receive the camp information emails, please either have them each enter their own registration following the steps under **"If you are a Drum Major . . ."** or you can register each Drum Major separately following these steps. **If the school is paying, have each Drum Major or yourself exit out at the end of the registration process at the billing step. Then send in the school check or purchase order with a notation of which drum major/band leaders the payment is for. The registrations will be finalized once payment is received.**
