

2020-21 SAFETY RULES SONG/POM, SONG/JAZZ & PEP/SHORT FLAG

SCHOOL & REC TEAMS (Rev. 8/26/20)

At Varsity Spirit, the health and safety of our athletes, coaches, employees, families and friends is our top priority. We are diligently monitoring the Coronavirus/COVID-19 and closely watching official information from health authorities, such as the Centers for Disease Control (CDC), as it relates to our larger community and our events, camps and competitions.

We understand that as we move into competition season the rules and regulations put on by your State and local government, as well as the CDC, may affect how you can approach your season and choreography. This may look very different depending on where your team is located, if you are allowed to have contact with your team, if you're required to wear masks and maintain social distancing, or any other requirements. Our suggestion is to continue to adhere to your state and local guidelines at the time of the event, including but not limited to social distancing measures when it comes to lifts/partnering, pom passes, and/or any other choreographed contact.

The United Spirit Association is taking the proper steps in training our judging panel on how this may effect what is seen on the competition floor in order in to provide the same quality experience regardless of restrictions in place for your team. This will remain in place for the 2020/21 season. We will continue to monitor the situation closely.

NOTE: Routines in these divisions must also follow the rules listed in "2020-21" High School Spirit (or Junior Spirit) General Information" and the "2020-21 High School Song/Pom and Pep/Short Flag Division Limitations."

Changes/updates from the 2019-20 competition season are in red.

GENERAL GUIDELINES

1. All participants agree to conduct themselves in a manner displaying good sportsmanship throughout the event. The coach of each team is responsible for seeing that team members, coaches, parents, and any other person affiliated with the team conduct themselves accordingly.
2. All programs should have, and review, an emergency action plan in the event of an injury.
3. Coaches must recognize the entire team's particular ability level and limit the team's activities accordingly.
4. No technical skills should be performed when a coach is not present or providing direct supervision.

5. All practice sessions should be held in a location suitable for the activities of dance, and away from noise and distractions.
6. Warm-up and stretching should precede and conclude all practice sessions, pep rallies, games, competitions, performances, and other physical activities.
7. The performance surface should be taken into consideration before engaging in any technical aspect of dance. The performance area should be reasonably free of obstructions. Dancers should not perform technical skills on:
 - a) Concrete, asphalt, or any other hard or uncovered surface
 - b) Wet surfaces
 - c) Uneven surfaces
 - d) Surfaces with obstructions
8. The dance team coach or other knowledgeable designated representative should be in attendance at all practices, functions, and games.

COMPETITION ROUTINE GUIDELINES

1. For Song/Pom and Pep Flag divisions, a school uniform that is worn for game/sideline cheering or performing must be worn (i.e. skirt and top). Costuming is not allowed. If an accessory or article of clothing adds to the overall effect and/or theme of the routine, it will be considered "costuming". (Exception: Costuming is allowed in the Jazz Category – Please refer to the USA Spirit Competitions General Information).
2. When standing at attention, apparel must cover the midriff (front of the body). If a violation occurs, a 3 point deduction will be incurred (Please refer to USA Spirit General Information).
3. All participants must wear soft-soled shoes on both feet while competing. Shoes must have a solid sole and cover the toe and heel. (Exception: Half-sole shoes and dance paws are acceptable in the Jazz category. Please refer to the USA Spirit General Information).
4. Wearing "hard" jewelry is illegal, except when such items are securely affixed to a uniform or the hair and will not interfere with the safe execution of a dance/pom/twirling move
Exceptions:
 - a) Jewelry that is a part of a costume will be allowed in the Jazz Category.
 - b) Earrings that are a part of the uniform will be allowed in the Song/Pom Category.
5. Support braces, etc., which are hard and unyielding or have rough edges or surfaces must be appropriately covered.
6. Props are not allowed. A prop is any physical object used to enhance the overall effect and or theme of the routine. (Exception: pom or pep/short flag)

7. Hands Free Poms: The use of hands-free poms will be allowed. Hands-free Poms are specifically made so that performers do not have to hold the poms but rather the poms are affixed to the performers hand. "Proper use" means bars cannot be in palm of the hand and only an elastic band can be between the supporting hand and performance surface making it possible to safely execute skills. A hair tie, rubber band, or tying pom strings/pieces together will not be counted as a hands free pom.

EXECUTED BY INDIVIDUALS - INVERTED SKILLS & TUMBLING:

Please note that any or all inverted skills and tumbling are not required in any category. If choreographed into routine, please be sure to follow the guidelines below.

1. Inverted Skills: Non airborne skills are allowed (Example: Headstand).
2. Skills with hip over head rotation:
 - a) With hand support are not allowed while holding poms or props in supporting hand(s). (Exception: Forward rolls, backward rolls and the proper use of hands-free poms) See "Hands Free Poms" Page 3, rule #7.
 - b) Non airborne skills are allowed and are limited to 3 connected skills. Example: 3 consecutive cartwheels are allowed, 4 consecutive cartwheels are not allowed.
 - c) Airborne skills with hand support may not be airborne in approach, but may be airborne in descent if the approach is non-airborne (Clarification: A round off is allowed – hands touch the ground before the foot leaves the ground).
 - d) Airborne skills without hand support are not allowed. (Exception: Aerial Cartwheel that is not connected to any other skill with hip over head rotation). Clarifications:
 - i. If a team chooses to use hands free poms for aerial cartwheels and a dancer(s) touches down during the skill, the hands free poms must be used properly or a penalty will be assessed. See "Hands Free Poms" Page 3, rule #7.
 - ii. If a team chooses to use NON- hands free poms for aerial cartwheels they must be moved to one hand. If a dancer touches down during the skill with the hand holding the poms, a penalty will be assessed.
3. Simultaneous tumbling over or under another dancer that includes hip over head rotation by both dancers is not allowed.
4. Dropping (from being completely airborne) to the knee, thigh, back, shoulder, seat, front or head onto the performing surface are not allowed unless the dancer first bears weight on the hand(s) or foot/feet.
5. Landing in a push up position onto the performance surface from a jump in which the legs are in front of the body and swing behind are not allowed.
6. Airborne skills without hip over head rotation may not jump from a standing or squatting position with backward momentum landing onto the neck, shoulders and hands.
 - a) Any kip up motion must initiate from the back/shoulder area touching the ground. (Note: This rule refers specifically and only to the "kip up"/"rubber band" skill.)
