2024 – 2025 USA DANCE COMPETITIONS SAFETY RULES & GUIDELINES

GENERAL INFORMATION

1. Rules are designed to help dancers avoid injury, while allowing for many skills that can be executed safely with proper training and coaching.
2. We want to ensure a penalty free experience for your team. Therefore, if you have any questions regarding our safety rules or would like to submit a video/music for review in preparation for the competition season or prior to the event, please contact USADanceRules@varsity.com.
3. A team must compete in the same category/division at Nationals for which it qualified in at a Regional/Classic unless prior written approval is received from the USA. For example, 1) If you qualify for Hip Hop Championship at a Regional/Classic, you may not compete in Hip Hop Intermediate at Nationals, unless you also qualify for that category at a Regional/Classic. The above is an example – other examples of this also exist.
4. If a team qualifies for Nationals two or more times (80% of total possible points, regardless of any penalties received) in the Championship level at a Regional/Classic competition, then they must compete in the Championship level at Nationals.

COSTUMING/FOOTWEAR/JEWELRY

1. Shoes are not required when performing, but participants that wear shoes must have soft, non-marking soles. Penalty of marking floor results in disqualification. The performing school will be responsible for any charges that may occur as a result of damage to any floor. Performers who do not wear shoes while performing do so at their own risk. Shoes are required at all other times when not directly performing.
2. Costuming must be well secured and appropriate for a family friendly environment.
3. Jewelry and accessories are allowed, provided they are secured appropriately to the dancer.

ROUTINE TIMING

1. **Timing:** Begins with the first note of music or movement, whichever is first. Timing will end with the last note of music or movement, whichever is last.
2. **Solo Routine:** Up to 2 minutes (maximum) per routine - entrance and exit up to 15 seconds each.
3. **ALL Dance, Military, Hip Hop, Jazz, Lyrical, Kick, Dance/Drill, Co-Ed Dance, All-Male and Dance/Pom divisions:** Up to 3 minutes (maximum) per routine - entrance and exit up to 30 seconds each.
4. **Prop & Musical Theater:** Up to 3 minutes (maximum) per routine - entrance and exit up to 1 ½ minutes each.

LIFTS/STUNTS/PARTNERING

1. **Horizontal Lift** – A horizontal lift occurs when the lifted dancer's head is in line with his/her/their hips. While the base is standing on the performance floor, this type of

lift **is legal if** the base(s) maintain direct contact with the lifted dancer throughout the entire skill above the bases' head level, **and** at least one base maintains direct contact with the head/neck/upper body of the lifted dancer.

2. An **Upside Down Lift** occurs when the lifted dancer's head is below his/her hips. While the base is standing, this type of lift **is legal if** the base(s) maintain direct contact with the lifted dancer throughout the entire skill above the bases' head level, **and** at least one base maintains direct contact with the head/neck/upper body of the lifted dancer.
3. **Standing or stepping on another dancer's torso (whether directly or indirectly) is legal, as long as the lifted dancer is physically supported by at least ONE other dancer. The torso is defined as the front or back of the upper body area, shoulders to hips.**
4. Elevators (lifted dancer's feet are being held at shoulder level by the bases with the dancer in an upright position), thigh stands, chair sits, and shoulder sits are permitted.
5. The following **cheer based stunts are not permitted** and will result in routine **disqualification**:
 - Extended cheer stunts (the lifted dancer is extended in an upright position over the base(s) who maintain fully extended arms)
 - Pyramids and basket tosses

INDIVIDUAL SKILLS/TUMBLING

1. Front tucks, back tucks (including toe pitch back tucks) and/or layouts are not permitted.
2. Airborne skills may not jump from a standing or squatting position backwards onto the neck, back, and/or shoulders. Any "kip up" motion must initiate with the back/shoulder area touching the ground. (NOTE: This rule refers specifically and only to the "rubber band"/"bronco" kip up skill.)
3. If a team chooses to use non-hands free poms for aerial cartwheels they **must be moved to one hand**. If a dancer fails to move both poms to one hand or touches down with the hand that holds both poms during the skill, a 3-point penalty will be assessed.
 - Hands Free Poms: The use of hands-free poms will be allowed. Hands-free Poms are specifically made so that performers do not have to hold the poms but rather the poms are affixed to the performers hand. "Proper use" means bars cannot be in palm of the hand and only an elastic band can be between the supporting hand and performance surface making it possible to safely execute skills. A hair tie, rubber band, or tying pom strings/pieces together will not be counted as a hands-free pom.

MUSIC

Note the music rules that are in place for the 2024-25 competition season. Be sure you are familiar with these prior to taking any competition floor. Failure to comply may lead to disqualification and forfeiture of all fees (registration, admission or otherwise) associated with a team's performance.

Music Rules & Restrictions

Music is defined as any recorded sound amplified through the competition sound system. One or several selections of music may be used, as long as they follow the music licensing rules. Failure to comply may lead to disqualification and forfeiture of all fees associated with a team's performance.

- Coaches are responsible for reading and understanding the USA Cheer Music Copyrights Educational Initiative and understanding that all sound recordings used in their team music shall only be used with written license from the owners(s) of the sound recordings.
- For the most up to date music information, visit <http://varsity.com/music>. If you have any questions, teams should email musicinfo@varsity.com. Please periodically check the provider list for updates and changes.
- Teams must be able to provide proof of licensing, in the form of a printed copy, during registration at the event they are attending.
- If your team is featured in a TV and/or virtual broadcast and uses an original composition created for your performance, your routine music will be used in the show if you also secured synchronization rights. Teams must be able to provide written documentation that synchronization rights were properly secured during registration at the event for the original routine music to be included in the show.
- When recording your music for the event, coaches or music editors should edit their song in a Digital Audio Workstation (DAW) and make sure that the volume of the song is at 0. Things to note: Most DAW's have a default that sets a track at -6 when a track is added. Check to see if there is a normalization process after you render or save your work.
- If you would like to perform your school's original fight song, you may bring a recording of your marching band playing the song. You will need to get the school's permission to use the song and recording. A letter granting permission for the cheer or dance team to use the fight song on school letterhead is enough. It should be signed by your program's administrative supervisor. Go to varsity.com/music for more details.
- If a team does not have required paperwork, they will be given the option to count the routine verbally or perform to an approved track of music or a track with counts (provided by Varsity Spirit).
- If a team does not have the required paperwork and chooses not to count the routine or perform to an approved track of music or a track with counts, the team will be disqualified from the competition and not allowed to perform or compete.
- If there are concerns regarding a certain team's use of music, a Challenge Form must be completed immediately following the team's performance.

- A challenge can only be made by the official coach of a team competing at the event at which the challenge is being made.

Challenge Process

- All music challenges must be submitted in writing to the event director.
 - There will be \$100 fee to request a music challenge and must be in the form of a check made out to St Jude Children’s Research Hospital.
 - Fees collected will be voided if challenge is correct.
 - If the team challenged can provide documentation during the event and can be verified, the fees will be donated to St. Jude.
 - If the team challenged can provide documentation that requires further review, a decision will be finalized within 48 hours of the event.
- A sound system will be provided. Speed control is not available. Music must be recorded at the correct tempo. Music checks on the main sound system are not permitted.
 - All teams must provide their own MP3 device (or smart phone) for use on the event-provided sound system. Although it is not recommended due to potential interference that may be caused during a routine, a smart phone may be used for playing music.
 - Each team is required to have a representative (responsible adult recommended) that knows the routine and music remain at the music station (no alternates or team members please). This representative is responsible for starting the music and stopping the music at the routine’s end, or in case of technical malfunction or injury. Should an adult choose not to stay at the music station for the duration of the routine, and a malfunction occurs, the team may or may not be permitted to perform the routine again. Please hold on to your music until the time of your performance. If using an MP3, smart phone, etc. please ensure that there is no case on the device which will obstruct the jack from plugging into the sound system. Please ensure that jacks are clean and free of any debris which may impact connectivity. Note that you may need to acquire an adapter in advance if your player does not have a headphone jack. If you are using a smart phone, please ensure that no interruptions (i.e., phone call, alarm, etc.) occur during your performance. Place the smart phone in “airplane mode,” ensure that the volume is turned up and the phone is fully charged. Interference caused by a smart phone that results in routine delay may receive an overtime or delay of contest penalty.

Virtual Competitions Music Rules

- The USA Cheer Music Copyrights Educational Initiative will govern all sound recordings used at the event and all sound recordings used in your team’s music shall only be used with written license from the owner(s) of the sound recordings.
- For the most up-to-date music information, visit <http://varsity.com/music>. If you have any questions, teams should email musicinfo@varsity.com. Please check the Music Provider list for updates and changes periodically.
- All routines will be judged with sound and available for Varsity TV subscriber viewing with sound for 48 hours once the event goes live. After 48 hours, the routines will be available without sound

for Varsity TV subscribers. After 5 days, routines will be available free of charge without sound for the duration of the competition season. This information is subject to change.

DIVISION DESCRIPTIONS

Please note: the only divisions which have male/female restrictions are Co-Ed Dance & All-Male Dance (see below).

Scoresheets and Safety Rules & Guidelines are available at <https://www.varsity.com/usa/school/competitions/rules-scoring/>

The contest director may cancel, combine, or divide divisions as deemed necessary. If divisions are sub-divided, adjustments will be made in the number of available awards. Multiple teams from a school will be allowed (i.e., Drill Team vs. Dance Team or JV vs. Varsity) as long as individuals are not competing on both teams. For example, if the same dancer competes on both the Dance Team and the Drill Team for their high school, those teams will then need to share the **seven (7)** maximum number of routines. An individual may not compete against her/himself in the same division/category (i.e., perform in two X-Small Dance routines).

Individual Solo Competition

All contestants must perform a solo dance routine up to 2 minutes (maximum) in length: entrance up to 15 seconds and exit up to 15 seconds. Any dance style or combination of styles may be used. **A soloist from any team may compete only one solo per USA event.**
