

## **Game Day and Crowdleader™ Team Situations**

### **2025/26**

#### **Offense:**

Our star quarterback throws a long pass to our receiver. Our offense is moving toward the goal.

Our offense completes a short pass for nine yards. This could be the start of a good drive.

It's 3<sup>rd</sup> down and our quarterback is sacked behind the line of scrimmage.

This is the big play. Our offense has decided to go for a touchdown.

It's the start of the 3<sup>rd</sup> quarter and the score is tied. Our offense has the ball and is on a roll.

#### **Defense:**

It's now or never, the other team keeps grinding out the yardage and running down the clock. Our defense needs to hold them.

In the second half, the other team scores two quick touchdowns. Our defense needs to stop their drive.

The opponents moved the ball down to our 20-yard line. Our defense needs to hold them.

Our quarterback goes for a long bomb, but the pass is intercepted putting our defense back on the field.

It's a crucial third down for the defense and we must stop their drive to try to get the ball back.
