

VIRTUAL TRYOUT BAND

STEP BY STEP

1. CREATE A BAND AND INVITE EVERYONE WHO IS INTERESTED IN TRYING OUT.

- Need help creating a BAND? [Click here!](#)
- Once you create your BAND, for safety and privacy reasons for all potential team members, please make sure all private Chat functions are turned off.
(*Band Settings > Privileges > Create or Invite Chat > Change from Anyone to Admin*)

2. LEADING UP TO TRYOUTS, COMMUNICATE EVERYTHING VIA THE BAND APP:

- Share the links to your material and music
- Post all your tryout paperwork (i.e. application, contract, and waivers). Parents can easily fill out all your required forms and email them back to you by a designated date.
- Host a virtual LIVE meeting via the [BAND Live Stream feature](#) or, upload a video of yourself with all tryout meeting information. Get creative with a slideshow or any visual references to help communicate your vision for your future team.

3. ON OR BEFORE TRYOUT DAY, HAVE EACH ATHLETE SUBMIT THEIR VIRTUAL TRYOUT VIDEOS AND INFORMATION TO YOU.

4. ADD YOUR STAFF TO REVIEW ALL VIDEOS AND JUDGE ACCORDING TO YOUR PROGRAM'S STANDARD.

5. ONCE YOU SELECT YOUR TEAMS, MAKE NEW TEAM SPECIFIC BANDS, OR YOU CAN SIMPLY REMOVE ANY MEMBER THAT WASN'T SELECTED AND KEEP THE SAME BAND GROUP GOING AS A PROGRAM COMMUNICATION TOOL FOR THE ENTIRE SEASON!

BAND OVERVIEW

BAND's robust features such as the Calendar, Video, & Messaging capabilities help alleviate all of the communication chaos. BAND takes away the dozens of emails, text messages & other applications and centralizes everything into one place.

BAND strives to become a space that youth can use with confidence. BAND has established and implemented a child and youth protection policy. In order to provide healthy and stable service to the youth, we will continuously supplement and improve the youth protection policy in the future. [Click here](#) to learn more.
