

**Together As One: "One Nation"**  
 (suggested staging areas for LARGE ensembles)

Created on Pyware 3D.  
 and Adobe Illustrator

**PART 3**

Brass, woodwinds, guard HOLD

Percussion moves back to same position as in Part 1.

If no dance/drill team available, some color guard could fill that space

In order to follow social distancing guidelines, please create a 4 step interval between performers.

Vocal/choral performers staged in front of pit if space allows

Staging design by Michael Gaines
