

THE QUEST

BID DISTRIBUTION

PAID BIDS

PAID bids will go to the highest scoring bid eligible teams in Performance / Traditional Recreational divisions across different levels in Affiliated / Non-Affiliated based on the number of bids being awarded and number of teams actually competing. When multiple bids are being offered bids may be spread between Performance / Traditional.

PARTIAL PAID BIDS

PARTIAL PAID bids will go to the highest scoring bid eligible teams in Performance / Traditional Recreational divisions across different levels in Affiliated / Non-Affiliated. If a PAID and PARTIAL PAID bid is awarded at the same event the PARTIAL PAID bid would go to the next highest scoring team in a different Affiliated / Non-Affiliated divisions based on the number of bids being awarded and number of teams actually competing. When multiple bids are being offered bids may be spread between Performance / Traditional.

AT-LARGE BIDS

AT-LARGE bids will go to the highest scoring bid eligible teams in Performance / Traditional Recreational divisions across different levels and/or age groups in Affiliated / Non-Affiliated. At events where PAID or PARTIAL PAID bids are awarded, AT-LARGE bids will then go to the next highest scoring bid eligible teams across the different remaining levels and/or age groups in Performance/Traditional or Affiliated/Non-Affiliated divisions based on the number of teams actually competing.

The Affiliated or Non-Affiliated levels will be divided as follows:

Performance - L1, L2/L2.1, L3/L3.1 & L4*

Traditional - L1, L2/L2.1, L3/L3.1 & Open / Non Building*

*When awarding AT-LARGE bids, any PAID or PARTIAL PAID bids awarded will be considered when determining different levels (ex: at an event where there are 3 At-Large Bids, if 1 PARTIAL PAID bid is awarded to a L2 Affiliated 18 & Younger team, then that means Affiliated L1, L3/L3.1, L4, Open/NB or Non-Affiliated L1, L2/L2.1, L3/L3.1, L4, Open/Non Building are the only levels eligible for the first three AT-LARGE bids, once those levels have been satisfied, then ALL levels and/or age groups are eligible for the remaining bids as the process to satisfy the levels starts over. Bids will be based on the number of teams competing.

Once your team accepts an AT-LARGE Bid for The Quest, that AT-LARGE Bid can be upgraded to a PAID Bid or PARTIAL Paid Bid. Once your team accepts a PARTIAL PAID bid for The Quest, that PARTIAL PAID bid can be upgraded to a PAID Bid.

You can replace athletes on your roster and add additional athletes, as long as it does not change the division you qualified with. If you receive a PAID Bid or PARTIAL PAID Bid, you will only receive the credit of a PAID Bid or PARTIAL PAID Bid for the number of athletes that competed on the floor at the qualifying event. The cost associated with the Quest will be the responsibility of the team to pay for any athletes who are added to the PAID Bid roster.
