

Dear Championship Attendees,

We are so excited for you to be joining us in Orlando soon!

Thank you for volunteering to serve as a Safety Champion for your team while they compete at the Walt Disney World Resort. As the Safety Champion, you are required to attend a training session in advance of the event. All coaches are invited and encouraged to participate in one of the sessions as well. The training, including a live question and answer session, will take 45 minutes. At the conclusion of the training, you will complete a short survey to verify your attendance. Once your attendance is verified, you will receive an email from the Walt Disney World that must be completed and returned.

The session times are listed below:

- Saturday, April 10 - 1:00PM CT
- Monday, April 12th - 5:00PM CT
- Tuesday April 13th - 11:00AM CT & 7:00PM CT
