# Create. Link. Reserve.

Linking Park tickets in *My Disney Experience* enables access to the Park reservation booking system.

1

## Create Disney Account

You must create a new Disney account or use an existing Disney account. Then, create a Family & Friends list.

2

## Link Park Tickets

You must link valid admission in order to access the Park reservation system.

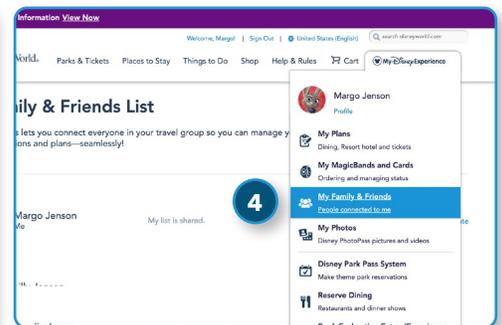

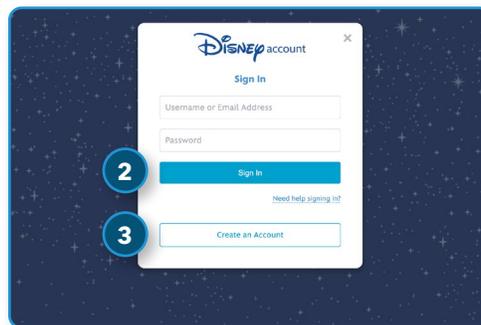

3

## Book Park Reservations

Once you receive your ticket confirmation numbers from Varsity, you must book Park reservations for each day your Guests plan to visit a Park.

## Create a New Disney Account - Website

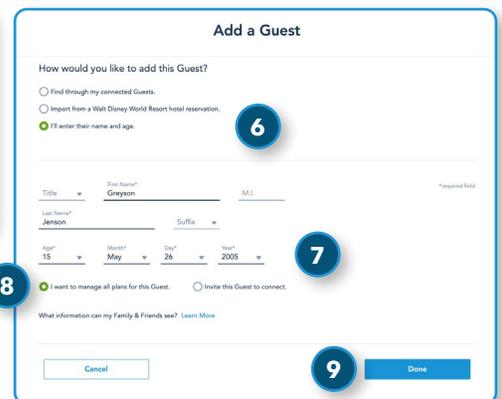

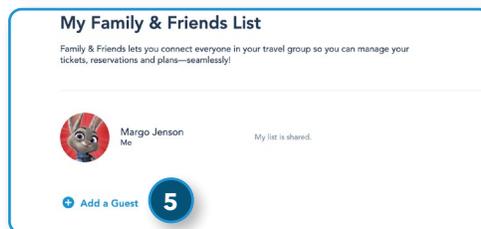

- 1) Navigate to StartYourDisneyExperience.com.
- 2) Sign into your existing Disney account.
- 3) If you don't have a Disney account, create a new Disney account by clicking or tapping the **Create an Account** button.

## Add Travel Party - Website

**Note:** For Varsity events, your travel party should be limited to your child(ren), any ward(s), and/or immediate family.

- 4) Select the "My Family & Friends" option from the *My Disney Experience* dropdown menu.
- 5) Click the **Add A Guest** link.
- 6) Select the *I'll enter their name and age* option.
- 7) Enter the name of a Guest and their age; birthdates also are required for Guests who are 17 or younger.
- 8) Select the *I want to manage all plans for this Guest.* option.
- 9) Click the **Done** button; repeat this process for each Guest in your group. For Varsity events, your travel party should be limited to your child(ren), any ward(s), and/or immediate family.

# Link Park Tickets - My Disney Experience Website

## My Plans

- 1) In the *My Disney Experience* drop-down menu, click the "My Plans" option.

## Link Park Tickets

**Note:** The steps to link Park tickets must be repeated for each ticket confirmation number you receive from Varsity.

- 2) Hover over the **Park Tickets** icon.
- 3) Click the **Link Tickets** button.

## Enter Ticket Order Number

- 4) Enter the ticket confirmation number you received from Varsity into the *ID Number* field.
- 5) Press the **[Tab]** key and wait for the system to finish processing your entry; this may take up to 60 seconds.
- 6) Once the Next button turns green, click the **Next** button.

**Note:** No physical tickets will be issued. Instead, each ticket must be linked to a Disney MagicMobile Pass on your mobile device (as detailed on pages 8-9), or to a newly purchased *MagicBand*.

## Match Tickets to Guests

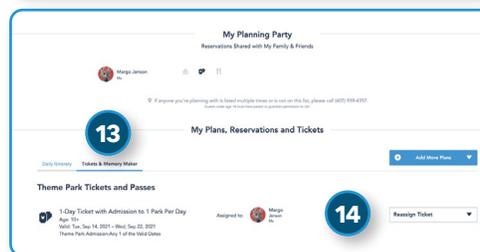

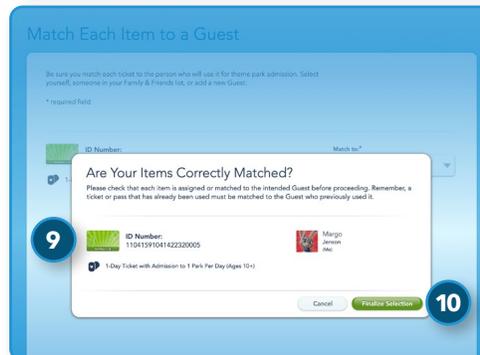

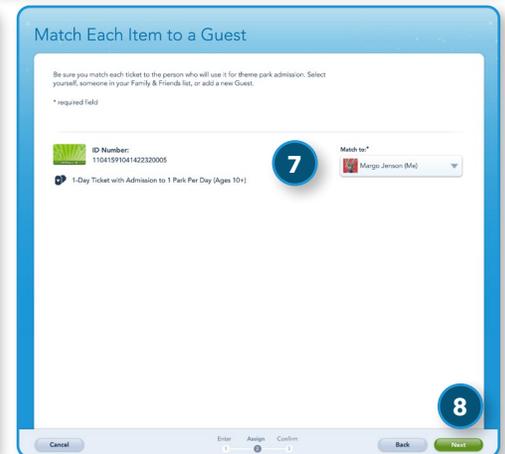

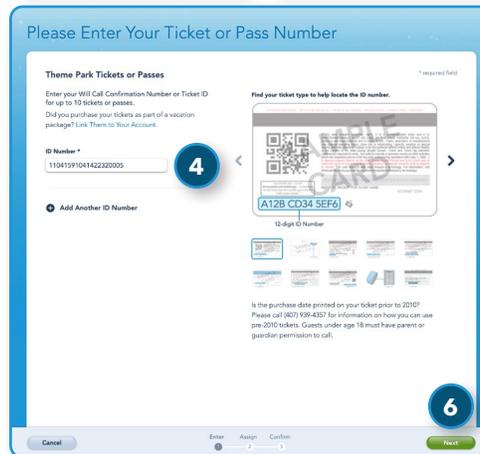

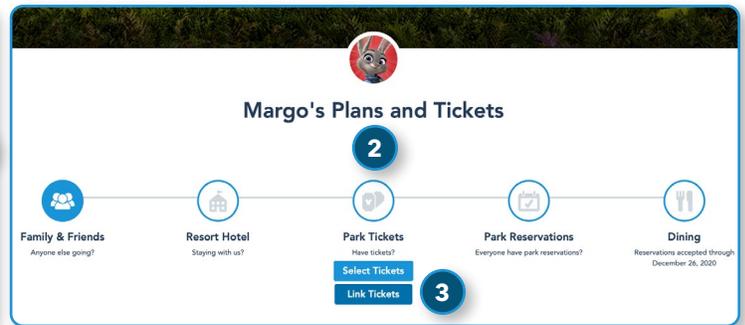

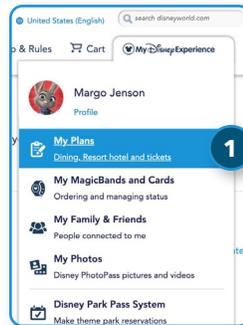

- 7) Match each ticket to the appropriate Guest.
- 8) Click the **Next** button.

## Confirm Guests

- 9) Verify each ticket is being matched to the correct Guest.
- 10) Click the **Finalize Selection** button.
- 11) If you are making plans for additional Guests, continue to link additional ticket numbers until all the tickets are linked to Guests on your Disney account.

## Confirm Linked Tickets

- 12) Return to the *My Plans* page.
- 13) Select the *Tickets & Memory Maker* tab.
- 14) View the list of tickets to ensure each has been linked to the correct Guest.

# Park Reservations - Website

## Theme Park Reservation Availability Calendar

- A) You must verify that the desired Park is available on the desired date prior to purchasing tickets.
- B) You may view multiple months.

\*To enter a Theme Park, both a Park reservation and valid admission for the same Park on the same date are required. Park reservations are limited and subject to availability. Guests with admission that includes *Park Hopper*® benefits are able to visit more than one Park per day after 2 p.m., subject to capacity limitations. At this time, a Park reservation is not required after the first Park; however, reservation requirements are subject to change.

# Add a Disney MagicMobile Pass - iOS

- Disney MagicMobile is a digital pass that Guests can create using the *My Disney Experience* app\*, which then can be added to their smart device's digital wallet.
- To use a MagicMobile Pass after it has been created, Guests hold their iPhone®, Apple Watch®, or Android™ phone near an access point, just like they would with *MagicBands* or RFID-enabled ticket media.

- 1) Open the *My Disney Experience* app.
- 2) Click the menu icon (three lines) in the bottom-right corner.
- 3) From the menu screen, tap the **Disney MagicMobile** tile.
- 4) Tap the **Set Up Your Pass** button.
- 5) Tap the checkbox for the appropriate Guest to select their Disney MagicMobile Pass.
- 6) To change the style of the selected MagicMobile Pass, tap the **Change Pass Style** button.
- 7) Select a style and tap the **Done** button.
- 8) After the appropriate Guest and style have been selected, tap the **Add to Apple Wallet** button.
- 9) The phone will display a confirmation outside the *My Disney Experience* app; tap the **Add** button to continue.
- 10) It takes approximately 15-30 seconds to add each Pass to the phone's Wallet app; do not tap the **Cancel** button during this step.
- 11) The **Added to Wallet** message appears after the MagicMobile Passes have been added to the Wallet.
- 12) The Express Mode feature will be enabled by default.
- 13) Tap the **Done** button.
- 14) The Disney MagicMobile Pass will now appear in the Guest's Wallet app.
- 15) In Express Mode, the MagicMobile Pass will display when the phone is touched to an access point at *Walt Disney World* Resort.

\*The *My Disney Experience* app is available for iPhone®, iPad® and smartphones for Android™. Message, data and roaming rates may apply. Availability subject to handset limitations and features may vary by handset or service provider. Coverage and app stores not available everywhere. # Add a Disney MagicMobile Pass – Android™

1) Open the *My Disney Experience* app\*.

2) Click the menu icon (three lines) in the bottom-right corner.

3) From the menu screen, tap the **Disney MagicMobile Pass** tile.

4) Tap the **Set Up Your Pass** button.

5) Tap the checkbox for the appropriate Guest to select their Disney MagicMobile Pass.

6) To change the style of the selected MagicMobile Pass, tap the **Change Pass Style** button.

7) Select a style and tap the **Done** button.

8) After the appropriate Guest and style have been selected, tap the **Get Pay Save to phone** button.

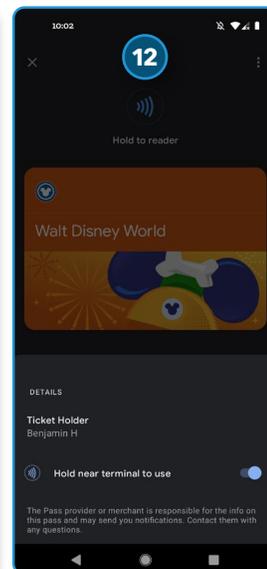

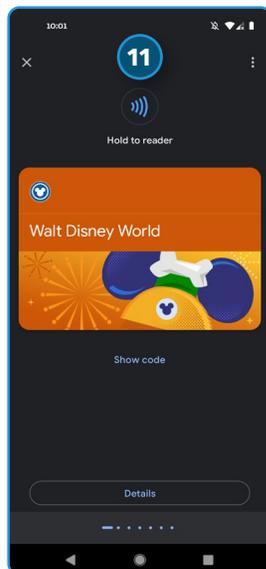

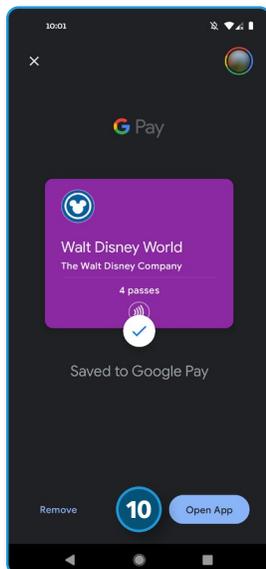

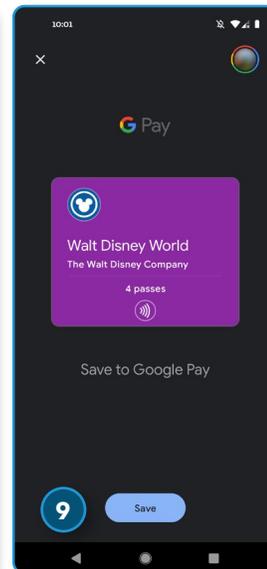

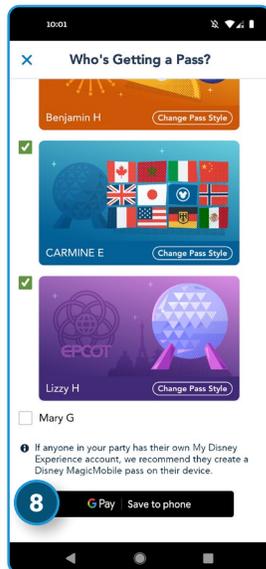

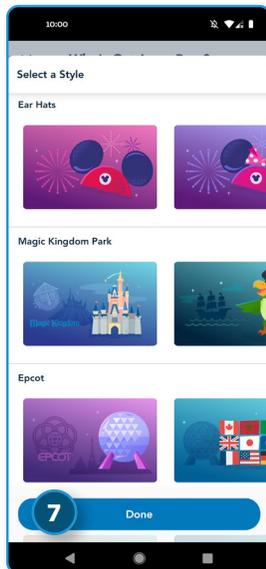

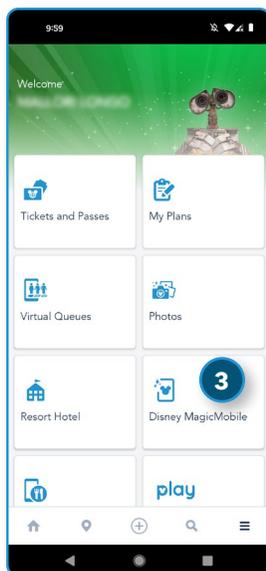

9) The phone will display a confirmation outside the *My Disney Experience* app; tap the **Save** button to continue.

10) Tap the **Open App** button to launch the GPay app and view the Passes on an Android™ phone.

11) The Guest is now ready to use their MagicMobile Pass at *Walt Disney World*® Resort.

12) On an Android™ phone, each Pass displays the selected design, the name of the ticket holder, a toggle switch to enable “Hold near terminal to use,” and if the Guest has multiple MagicMobile Passes, a carousel of dots at the bottom of the screen that allows Guests to swipe left or right to view additional Passes.

13) An Android™ phone must be unlocked for the MagicMobile Passes to display when the phone is held near a terminal.

\*The *My Disney Experience* app is available for iPhone®, iPad® and smartphones for Android™. Message, data and roaming rates may apply. Availability subject to handset limitations and features may vary by handset or service provider. Coverage and app stores not available everywhere. # Key Reminders

- You must create a new Disney account, or have an existing one, to access *My Disney Experience* and book Park reservations.
- Each Guest ages 3 and up must have valid Park admission and a Park reservation for every date they wish to visit.\*
- No physical ticket or media will be issued. Instead, you must link the ticket to a Disney MagicMobile Pass using the *My Disney Experience* app, or to a *MagicBand*.
- Guests may use a Disney MagicMobile Pass, or a *MagicBand*, to enter a Theme Park if they have valid admission and a Park reservation.
- If you receive an error when linking your ticket confirmation number, please return to the *My Plans* view to verify that your ticket is showing in the *Tickets & Memory Maker* tab. You can reassign linked tickets to managed Guests from this screen. For assistance with your Disney account, please call (407) 939-4357. Guests under 18 must have their parents' permission to call.

\*To enter a Theme Park, both a Park reservation and valid admission for the same Park on the same date are required. Park reservations are limited and subject to availability. Guests with admission that includes *Park Hopper*<sup>®</sup> benefits are able to visit more than one Park per day after 2 p.m., subject to capacity limitations. At this time, a Park reservation is not required after the first Park; however, reservation requirements are subject to change.
