

Dear Coaches, Family and Friends:

It's almost time for the 2022 Quest Championship. We're excited to bring this championship experience to you and your team as safely as possible, while still capturing the Disney magic you've come to know and expect.

This email contains VERY IMPORTANT information for you to go over with your team members and family traveling to Orlando with you. We suggest giving a copy of this letter to every participant to share with their parents even if they have been to our Championship in the past.

Transportation:

Transportation to and from the airport is not included in the Hotel Travel Package. If you are interested in booking transportation through Mears Connect, rates are \$14 per person each way or \$28 round trip. This is a \$2 per person each way discount or \$4 Round trip from regular Mears Connect pricing. If you would like to book transportation through Mears Connect, please click [HERE](#). If you have already booked through Mears and wish to take advantage of this discount, you must cancel your reservation and rebook using the link above. You can cancel your reservation by emailing ConnectGroup@mears.com. You can book transportation through whoever you wish but wanted to offer Mears Connect as an option.

Arrival to Walt Disney World Resort:

The Hotel you have been assigned to is:
Disney's All Star Music Resort
1801 West Buena Vista Drive
Lake Buena Vista, FL 32830
407-939-6000

When you arrive at the Walt Disney World Resort, you should be dropped off at the front desk of your assigned hotel -**Disney's All Star Music Resort**. This is where ONE PERSON, the **main contact on the room reservation** will check in and receive room keys for the group. Disney no longer gives out MagicBands as room keys so instead you will receive regular card room keys. Please make sure while you are waiting for your contact person to check in that you stay physically distanced from others and if indoors, wear your mask at all times if not fully vaccinated. Once you receive your keys, you can take your luggage to your rooms and get settled in.

Early Arrival:

It is very important that you know ahead of time that rooms are not guaranteed to be ready until after 4:00 pm. If you arrive earlier, the hotel will gladly store your luggage so that you can go out and enjoy the day shopping at Disney Springs, hanging out by the pool, or visiting a Theme Park, etc. There are bathrooms and showers located on property near the pool areas for your convenience.

Luggage:

Be sure to label each bag with your team name and hotel for easy identification. It is also highly recommended that you pack your competition uniform and any other necessary items in your carry-on bags in case your checked luggage gets delayed.

Registration with the Quest:

After checking in at the front desk, ONE PERSON, the contact person on your registration/invoice, should head to registration with the Varsity Spirit Staff at the Varsity Registration Tent at your **confirmed registration time**. This is located in front of Celebrity Hall between Music and Sports Resort. You should have already received an email notification with information on what you need to bring and how to reserve your check-in appointment time. To ensure that everything runs smoothly, please do not arrive to your check-in time more than 15 minutes early.

Just a reminder that once you are paid in full, you should receive your Theme Park ticket numbers via email. You do not have to check in with us before you go to the theme parks since you already have your ticket numbers. For more information, please see the information later in this letter about Theme Park tickets.

Coaches will need to bring signed copies of the release waivers for each athlete and coach to registration. Also, coaches need to provide proof of USA Cheer Membership and music verification information. You will receive your event lanyards, Friday night Extended Hours wristband and your Celebration Party wristbands during registration. Just a reminder that masks are required inside the registration tent for those not fully vaccinated. Please have all coaches/personnel who need to show their USA Cheer Membership information to get their wristband come to the registration area with you so they can show their ID and USA Cheer Membership card. If you have any coaches who are not able to come during registration, they can get their wristbands at the Customer Service table outside of ESPN Wide World of Sports on competition day.

Friends and Family that are on the hotel travel package that registered separately from the team, will need to sign up for a registration time to receive their event lanyards, Friday night Extended Hours wristband and Celebration Party wristbands. The contact person for the invoice will need to make the reservation. Just a reminder that masks are required inside the registration tent for those not fully vaccinated.

If any friends/family only bought Park Hopper tickets from Varsity, they do not need to check in with Varsity nor schedule a registration time. They should have already received their park ticket numbers via email once they paid in full. If anyone only purchased Celebration Party tickets or extra meal vouchers, they can pick those up at Celebrity Hall during registration hours. They do not need an appointment to pick them up.

We will be doing all announcements for advancing to finals in venues. We are planning on in person awards this year in the scheduled venue of the finals competition. Please see the order of competition and block schedule for specific times and locations. Athletes will need to wear masks during awards if not fully vaccinated.

Private/Chartered Buses:

If your team is bringing a chartered bus or renting a bus during your trip, please have them pick your team up in the parking lot closest to your hotel rooms. Disney will not allow buses to pull into the front lobby areas and hold for any amount of time. At the ESPN Wide World of Sports Complex, private chartered buses will be directed to load and unload in the private bus parking lot. For departure days from the resort, before 11am going to the airport or their home location, buses need to use the lots near the Guest rooms. After 11am going to the airport or their home location, buses will be permitted to pick up Guests at the Main Lobby once all of their Guests are ready to depart. Buses will not be permitted to hold/idle.

USA Cheer Membership and access to the Warmup and Backstage area:

This is just a reminder that any coach, choreographer, administration, or personnel wishing to access the warmup area, backstage or coaches' box must have a USA Cheer Coach, Dance or Professional Membership. When coaches register on arrival day, they will have to show a photo ID and proof of membership for each person from your team who wants access to receive their wristband. Once your membership is complete, you can print your membership card, or save and display it on your mobile device at event. [CLICK HERE](#) to learn more and to complete the steps required before you arrive in Orlando. There will be no exceptions to this requirement, so please be sure to complete it prior to arriving in Orlando.

Music:

All teams must provide their own device for use on the event provided sound system. ***NEW!*** There will no longer be a pre-check music area at the music table. Music should be on a digital music player/iPod/iPhone. CD's will no longer be allowed, and CD players will not be provided at competition. Music must be recorded at the correct tempo and loaded onto an MP3 device. Please make sure that all devices have a headphone jack to connect to sound system and are fully charged, volume turned up and placed in airplane mode. Please ensure that jacks are clean and free of any debris which may impact connectivity. You will need to acquire an adapter in advance if your player does not have a headphone jack. Coaches will be escorted from the staging area to the music area. We highly suggest that a coach plays the music and not a participant.

Team Practice:

Teams can practice and warm up at their hotel on any approved surface. **Disney does not allow teams to bring their own mats to practice while on Disney property.** Open practice times for those on the Quest Hotel Travel package have been sent out to coaches for teams to sign up. Just a reminder that All Star Sports is closed so you cannot go over to the Football field to practice.

Walt Disney World Tickets-VERY IMPORTANT:

Once you are paid in full, about 7-10 business days after, you will receive an email from Varsity Spirit with your theme park ticket numbers for each person on your invoice. You will then need to complete the steps below to enter ESPN Wide World of Sports or any Theme Park. If you have paid in full and have not received your ticket number email, please contact your Registration Specialist. If you do not complete the steps below, it could delay you and your team getting into ESPN Wide World of Sports Complex. You will not receive hard tickets when you arrive in Orlando, everything will be mobile this year.

Ticket Linking and Park Reservations

If you have not done so already, download the MyDisney Experience app to link your theme park tickets and make a park reservation. As a reminder, we highly recommend that Guests make their theme park reservations as soon as they receive their ticket confirmations, as park availability can change and is limited. Coaches Webinar

Instead of having coaches meetings on site at the resorts, we will email your team contact person a video webinar. The email with this video will be sent later this week. This will allow you to prepare for your trip and talk about competition specific topics. Please share this with all your coaches. Once you arrive in Orlando, we will have a separate coaches' registration and our Quest representatives available for any questions you may have.

Photography and Video Policy:

The safety and security of our participants is very important to us. If you or any members of your team suspect that anyone is taking inappropriate photos or videos of our participants, please contact one of our Event Staff immediately. All press requests will be taken seriously, and a contract must be signed prior to clearance being given. For 2022, due to venue restrictions, full press clearance will not be granted for any outside media groups. Team photographers can request clearance to photograph their team only by contacting Emily below no later than Wednesday, March 9th. We hope that you understand the seriousness of this issue and give us your full support. For questions, please email Emily Zemplachenko, ezemplachenko@varsity.com.

UEP Photography

Due to health and safety protocols, there will not be any on-site photo booths at this event. Have no fear - Universal Event Photography still has your team covered! UEP is offering [contactless pre-orders](#) for their very popular action photo digital files package. Get all the action photos from your routine for one price and share them with your team! Your order will be delivered via email link after the event. Bring home the best action photos of your team's performance with the quality you can trust, only with UEP!

Reminders for teams and coaches while at the Championship

- When walking in groups through the hotels – please do not blare your radios/rock blockers. Some teams and resort guests do not have to get up as early as others. This also includes walking through ESPN Wide World of Sports. Please be considerate of those around you. Please be sure that the music that is being played is edited and for family listening. There will be other guests on property not with our group so want to be considerate of their family vacations.
- When crossing the walkways in parking lots, please do not walk down the middle of the street blocking traffic. Use the sidewalks available for your safety.
- Remember that while you are at the hotel and at any theme park, you are representing your team.
 - Please no stunting in the park on unapproved surfaces.
 - While you are waiting on lines for rides, please be sure you are representing your team and being respectful of other guests visiting the park.
- At the hotels or at ESPN Wide World of Sports, if you are waiting for other team members, please move to the side of the walkways so that other people can get where they are needing to go.
- There are quiet hours from 10:00 pm – 10:00 am at our resort. Please keep this in mind when you are coming/going from the venues. There are other guests not with the Championship staying at the resort and we want to be respectful of their vacations.
