COACHES INFORMATION

Dear Coaches & Gym Owners,

Out of respect for registered programs and their ability to share information with their teams and families first, we request that you not post the contents of this letter on social media or otherwise make it available to anyone. This information will be made public shortly after this message has been sent.

As we get closer to the 2022 Summit Championships, we would like to share the tentative Block Schedule so you can better prepare for the weekend.

Please note that registration for this event will not be finalized until **April 21, 2022** and we will not be able to post advancing numbers for the Final round until registration is complete. The Summit reserves the right to combine or split divisions based on the USASF guidelines.

You will have the chance to report crossover conflicts AFTER the Detailed Performance Order is released. At that point, only reported crossovers will be considered. Please do not send schedule change requests based off this Block Schedule.
