Dear Coaches, Team Members and Family,

We are excited to see you next weekend at the Most Magical Place on Earth! Please view the Orientation Video below in its entirety for important information that everyone in your party needs to know about check-in, event information and more.

Coaches, there will not be an orientation held on-site, so please forward this video to all athletes to make sure they are ready to compete next weekend in Orlando!

[Commuter Orientation Video](#)

Safe travels and we will see you next this week!
