You'll be given the opportunity to make this request once you are registered. The subscription will be renewed at full price on the same day the following month unless you cancel your subscription at the end of the trial period.

What kind of video do I need to submit?

Teams must submit a video recording of their routine taken in their practice facility. Videos must be one take, with sound-edited footage will not be accepted. All 4 corners of the floor should be visible when possible and athletes must

perform on an IASF approved surface. The program must own rights to this video and to it being posted on Varsity TV for use in the Virtual Competition.

Teams will be given TWO (2) opportunities to film and upload their routine for the event using the CheerMatch app and upload link. There is no need to purchase additional equipment or internet services for your program – simply film on your phone! Make sure that you are closely following the video sent from CheerMatch with further instructions to ensure you are submitting the video properly.

What should my team wear?

Teams may submit videos in their practice wear or uniforms.

How will teams be scored?

Once routine videos are filmed and uploaded, a Varsity All Star certified judging panel will score the routines in our Simple Score system. Score sheets will be emailed to coaches the day following judging by 9:00 AM Eastern Time. Coaches will then have 3 hours to submit an AccuScore review request.

Teams will receive a link to our AccuScore review process prior to the start of the event and will be able to follow the steps like a live event for reviews. Our AccuScore experts will review your score sheets and follow up with your program on any changes or clarifications prior to the awards announcements.

Can I compete at a live event and record that same routine for a virtual event the following weekend?

No, routines must be filmed in your practice facility and may not be used for multiple events, live or virtual.

Can I compete in more than one virtual event in a weekend and use the same routine for both?

While you may compete at more than one virtual event in a weekend, you will need to film separate routines and submit your performances for scoring using the one of the two capture links provided by CheerMatch for that specific event.

Where can we view the results?

All results and scores will be posted on Varsity TV at 7:00pm CT the Wednesday following your virtual event under the "Results" tab in the event band. The awards show will be aired on VTV.
