Hi Dance Coaches -

We hope you are having a great start to your team's season and can't wait to watch your performances in the coming months!

We know how important planning is to each and everyone one of you and to help with your journey to nationals, we are happy to announce that pricing is officially available for the 2023 National Dance Team Championship and registration will open this October! We are excited to be celebrating the 40th Anniversary of NDTC and have some fun things planned you won't want to miss!

In addition to event package pricing, our team has put together additional information to walk you through how to 'experience the magic' with one of our Hotel Travel Packages to maximize your time at the National Dance Team Championship.

NEW FOR 2023! teams staying on the Hotel Travel Package will have first choice of Open Practice times at ESPN Wide World of Sports on Wednesday or Thursday. Transportation to/from Open practice will be provided for teams who have the majority of their team staying on the hotel travel package.

- Teams who are on the commuter package will be able to select open practice times after those on the hotel travel package and must provide their own transportation to/from ESPN Wide World of Sports.
