## Hi, Coaches and Spirit Coordinators -

We cannot believe that the championship season is almost here, but we are so excited to see you and your program in Orlando this February.

Communication for the 2023 National High School Cheerleading Championship will become more frequent as we near the event, but you can expect to receive updates and important reminders almost weekly beginning today! We will also post all email communication online on the event website under the "Email Communication" tab.

## This Week:

### USA Cheer Coach Membership

Now is a great time to check your status with USA Cheer to ensure that all coaches, team personnel, choreographers, athletic trainers, band directors, school administrators and anyone wishing to access the backstage area have completed the required steps for USA Cheer membership. For more information on how to start the process and what is needed for each coach, [CLICK HERE](#).
