## Hi Coaches!

We are so excited to see you and your programs in Orlando for the 40th anniversary of the National Dance Team Championship! It is going to be a historical event and we are so excited to be bringing back our Opening Number to celebrate this milestone!

Starting at the very first NDTIC, the UDA staff and teams did an opening number to kick off the Championship. This year we are excited to have a new routine that we know the dancers are going to LOVE!

This routine will feature UDA staff members as well as dancers from each team competing at the Championship. This is where you come in! You will need to designate up to TWO people who will represent your team in the performance. This is optional but HIGHLY recommended as we want each team to be represented on ESPN! Because the Championship is so large, we can only have one or two people from each team, NO EXCEPTIONS! They will need to learn the routine via the link provided and be able to come to rehearsal during the weekend. The specific times will be posted when the schedule is posted online on at [uda.varsity.com](http://uda.varsity.com). They will need to choose one uniform from their school/team to wear in the performance.

We will rehearse once on Saturday and tape for television on Sunday. The performance will be televised in segments along with other highlights from the weekend, in the opening of one of the ESPN shows.

What you need to do now:

1. Designate who your team's representative is going to be.
2. Pass on the routine to them so that they can learn their designated part.

3. You have been assigned to be in GROUP ONE. Please make sure your representatives learns the correct section along with the CLOSING SECTION - which all athletes will be a part of.
4. If you have poms (even if you are not using them for the competition), please bring them with you. There is a chance we will be using them in the routine for your group.
