### Fees

Overnight fees include daily instruction, awards, housing and meals (as indicated for each camp). Instruction Only, Home and Day Camp, and Clinic fees include daily instruction and awards (unless otherwise noted).

### Adult Supervision

**For schools attending camp with only a CHEER team, the following policy applies:**

A USA Cheer certified supervisor must be in attendance with the team during camp. This person may not be a participating team member and must be at least 21 years old.

**For schools attending camp with only a DANCE team, the following policy applies:**

An adult supervisor must be in attendance with the team during camp. This person may not be a participating team member and must be at least 21 years old.

**For schools attending camp with BOTH and CHEER and a DANCE team, the following policy applies:**

A USA Cheer certified supervisor must be in attendance with the teams during camp. This person may not be a participating team member and must be at least 21 years old.

In the event of an extenuating circumstance that causes the coach/advisor to not be present for a period of time during camp, and which causes the team to be unsupervised, the situation will be handled on a case-by-case basis. Keeping the safety of all athletes as our top priority, and taking into consideration the most reasonable and practical course of action, Varsity staff will determine if continued team participation is possible.
