UNIFORM FIT

Uniform Fit for the Pearl Harbor Memorial Parade

This uniform is a **HIP LENGTH** uniform and will not fit the same as most school or all-star style uniforms. The **UNIFORM TOP** should come down to right around the hip bones and should not be extremely tight in the stomach area. It should be fitting around the bust area and then graduate down to the hips. The stomach should not show at all when arms are in a high V. The **SKIRT** should not ride up when walking or standing with feet apart.

MALE SHORTS should be hemmed just above the knee.
