

PERFORMANCE RECREATION AGE GRID

VARSITY PERFORMANCE RECREATIONAL CHEER DIVISIONS

This document contains the competitive recreational cheer division offerings for the 2025-2026 season.

The age grid provides a list of divisions that may be offered by an Event Producer. An Event Producer does not have to offer every division listed.

All Recreational teams must classify as one of the following:

AFFILIATED

The program must be affiliated with, report to, and be governed by an organization such as; YMCA, Boys and Girls Club, City/County Parks and Recreational Program, American Youth Cheer, Pop Warner Association, or other community run program not associated with All Star. Each team must cheer for a sport during the 2025-2026 cheer season

NON AFFILIATED

Organization may be independent of town/city organization/clubs. Team does not necessarily cheer for or support a sports program. Team is not affiliated with an All Star program.

CLASSIFICATIONS

At the beginning of the season a program must classify if they are Affiliated or Non Affiliated. This must be verified before the first competition. Once the team's affiliation has been declared, it may not change unless authorized by the Varsity Scoring division. An Affiliated team may move into a Non Affiliated division if they are the only team in the Affiliated division.

Affiliated and Non Affiliated Recreational cheerleading organizations can register teams in Performance Advanced and/or Performance Elite Divisions.

Performance routines may be performed on a spring or foam floor. Check with your event producer to determine what type of floor will be used at the competition.

PERFORMANCE RECREATIONAL DIVISIONS

There are two division offerings for Performance Recreation: Performance Elite or Performance Advanced. In both divisions the routine format will be all music routines. The difference between Performance Elite and Performance Advanced are as follows:

Performance Elite- No cheer allowed, tosses maybe performed.

Performance Advanced- Cheer may be performed, however will not be scored. Tosses are prohibited.

Performance Recreational divisions may be offered at All Star events. Both Affiliated and Non Affiliated Performance Recreational divisions will be combined. The Affiliated and Non Affiliated may split based on the event registrations. Teams will follow the USASF routine rules and the Varsity Performance Recreational criteria for scoring. All Performance Recreational teams attending a Varsity All Star event must receive a bid to attend an end of the season event - The Quest, Recreational Summit and US Finals.

The age of the athlete will be **determined by the birth year** for the competitive season.

*Following thoughtful discussion after the release of the 2025-2026 Rec information, we are including a transitional year for implementing the bottom age of the 12-18 division on the Rec Age grid. For the upcoming 25-26 season, athletes ages 11 - 18 will be allowed to compete in this division. By the 26-27 season, we will fully enforce the 12-18 age range. This gives Recreational programs ample time to adjust rosters, plan for the future and keep athlete safety a top priority.
