Coaches,

To help ensure a seamless registration experience for you and your team, **registration for the National School Spirit Championships has moved to the week of November 16th**. **For specific dates, please see below.**

This additional time will allow you to prepare for registration by activating your MyVarsity account, confirming that your athletes are rostered in the system, and identifying your Safety Champion. Taking these steps in advance will help make the registration process as smooth as possible when it opens in November.

**▶ WATCH THE ROSTERING TUTORIAL**

**PLEASE NOTE:** You must roster and register your team under the correct event. If you need help identifying which weekend of the championship your team will be attending, reach out to your State Director. Below you can find a guide to share with your athlete's parents to create their MyVarsity account.
